

DINTON RECREATION GROUND

Registered charity No 1112968

c/o GRASSMERE DINTON SALISBURY SP3 5EG

TEL: 01722 716434 FAX: 01722 716515 Email: gloverglobal@btinternet.com

Our first AGM on 19th May since becoming a registered charity in February 2006 saw eight members of the public in attendance. A resumé of the work done to bring the charity onto a proper legal footing and the decisions taken during that time were explained to those attending

The trustees took note of all suggestions from the floor for consideration at the next meeting.

Now that the area in the north east corner had been completed along with the culverting of the ditch, we intend to create an area where those who wish to sit and picnic or read or have a quiet moment can enjoy the ground. We hope to plant some trees, and flowers, and get some benches installed.

Ongoing bad behaviour involving alcohol around the skate board area is still an issue and the removal of the equipment, unless things improve, is one possibility to consider. We have asked the police to keep an eye on the area. Any information from the village, about who is responsible, would be most welcome and remain confidential.
