OF ENGLAND  
DIOCESE OF SALISBURY

## It's Never Too Late For Love

"God arranged to bring us together."

Rob and Margaret Cave recently made the news as one of the oldest couples ever to marry. The Wimborne Minster worshippers tied the knot, both within a few months of their 91<sup>st</sup> birthday.

"It never occurred to us that it was anything out of the ordinary", says Rob, "We both lost our first spouses three years ago at about the same time. We

got thrown together consoling each other. Things went from there."

"We have so much in common", adds Margaret, "We both love opera and ballet. More personally, we both lost a son at a relatively young age.

"These days people would say, 'Why don't you just live together?', but that didn't seem right to us.

"It all happened very quickly. It came up one day as we discussed what would happen when Rob gave up driving, and within seven weeks we were married!"

"We're both very involved in the Minster", Rob continued, "I'm a guide

two days a week and Margaret takes the weekday midday prayers sometimes.

"Visitors often say there is a distinct atmosphere in the Minster. It has been prayed in over so many centuries."

"A lovely moment in our wedding", says Margaret, "was the organist playing *Spread A Little Happiness* as we signed the register. Without meaning to, we seem to have spread a lot of happiness!"

People may know Margaret from *Brief Encounter*; she was the tea room assistant, part of a long acting and radio career. Local lad Rob farmed for many years before ending up as a civil servant.

## Monthly Letter The Rt Revd Nicholas Holtam Bishop of Salisbury

A thriving Christian presence in every community is one of the aims of the Church of England. It happens in a number of ways with church buildings, committed Christians, schools and community projects contributing a great deal to the good of our communities, where we live for others in the way of Jesus Christ.

A few weeks ago I took the new Archbishop of South Sudan to some of our churches - the licensing of a Team Vicar in Tisbury, a community environmental day for a Greener Bradford on Avon, Sunday morning at St Thomas's in Salisbury, followed by the installation of the new Dean in the cathedral.

The Archbishop spoke about the priorities of his church in a country where people have been killing each other and there are millions of refugees. His was a very different context to ours, yet in South Sudan they too were seeking to create a flourishing Christian presence in every community that is good for all in the way of Jesus Christ.

In Devizes we met with other partners from the Lutheran Church in Latvia. They had a different story again. A small country, they emerged from behind the iron curtain. They confidently sit on the border with Russia partly because they are members of the EU. It is a bit more complicated for the Latvian church to find its place

in the worldwide Church. They face the same challenges as the rest of us with different understandings of what it is to be human and how we live the

Gospel faithfully in our different contexts - men and women, gay and straight and as people with varied

## New Dean Installed

The Very Revd Nick Papadopoulos was installed as 81<sup>st</sup> Dean of Salisbury at Choral Evensong on 9 September.

Bishop Nicholas said, "His commitment to this place as a house of prayer in service to the wider community is unwavering. His installation signals a new beginning for Cathedral and city after a difficult year. That joy and optimism extends to Heather, Barnaby and Thea, who we hope will spend many happy years within this community."

The new Dean, who was previously

from different contexts who see things differently. Being part of the worldwide Church we see what it means for the Church to be local everywhere.

Chaplain and Press Officer to David Stancliffe when he was Bishop of Salisbury, added, "This place shaped my early ministry and taught me the power of worship and the value of a shared life of prayer; shared with all who visit this extraordinary place."

## The Joy of Starting Young

"I wouldn't be the priest I am today had I not been ordained young."

Still in his mid-forties, Philip Bromiley has been in holy orders for twenty years. The Rector of the Avon River Team, living in Durrington, recently hit the headlines as he took the funeral of Novichok victim Dawn Sturgess.

"I had little time to prepare for Dawn's funeral, just five days. Without being aware of it, I already knew her daughter, a lovely girl in one of our church schools, who chose the hymns."

"I did a lot of media, taking attention away from the family, helping them

grieve in peace. God was deeply present at the funeral. I had messages from across the UK assuring me of prayer.

"I first felt the call to priesthood aged thirteen, on my bed in my pyjamas, asking God what He wanted me to do. My parents, who sent me to church but didn't then go themselves, panicked and took me to the vicar. His wise advice was neither to rush nor put barriers in God's way, but keep praying 'Thy Will Done' and be obedient.

"Along the way, God gave me plenty of opportunity to say no. There were times when I thought this wasn't right for me, but then another door opened.

"My curacy was in a huge suburban Blackpool parish, with three funerals a week, one where you either sank or swam! I then moved to this Diocese, first church planting in a Calne housing estate, then 11 years nearby in Oldbury, before coming here last year.

## Safeguarding IT Upgrade

A new IT system aimed at reducing the workload and improving compliance on safeguarding is making rapid progress.

The Disclosure and Barring Service Project (DBS Project) brings together in one place all data with respect to DBS certificates and safeguarding training history. It will also proactively notify Parish Safeguarding Officers when DBS checks are needed.

Adrian Smale, who is managing the development, said, "This is just the first stage of a larger initiative to reduce the burden of safeguarding record keeping on both parishes and Church House.

"We are aiming to complete the whole seven-stage project in early 2019."

"Parish ministry is so varied. It is a huge privilege to walk alongside people in their challenges and vulnerabilities.

"It is a little daunting that after twenty years, I'm not quite halfway through my ministry. I try to pace myself and keep a work-life balance.

"We need diversity in ministry in terms of age as well as everything else. I have evolved and been shaped throughout my priesthood. It is wonderful to have young people exploring vocation asking God, 'What would you like me to do for you?' - whether it's priesthood or something else."

If you enjoy words and you have yet to read it, you'll love Bill Bryson's book, *Mother Tongue*. I just came across it in Tisbury Library and one paragraph in it got me thinking.

I wonder if you realise how many prayers you say in the day?  
The answer is probably more than you think.

To understand that answer, you need to know a bit about the English language. The English are very good at contracting - making shorter - words. When you go to secondary school you soon learn not only what examinations are, but that we usually call them exams. It's the same with the gymnasium - shortened to gym. And the laboratory is almost always called the lab. You can add to that list - Maths, Geog and so on.

Well, you know all that. But there are words which have been shortened which we use much more often than exam, gym and lab. Think how often you say HELLO. Like many of our words it comes from Old English. We don't think of it as a prayer, but it is! It is a shortening of 'Whole be thou'. If you say that quickly enough and often enough, it soon becomes HELLO.

So when you meet someone and say HELLO, you are praying that they be whole - and if you make someone whole, it is the same as healthy.

And then when people go, we say GOODBYE. Here we have another contraction or shortening, this time of 'God be with you'. This too looks to me suspiciously like a prayer.

There's not much point in saying a prayer unless we try to mean it. I cannot wish you harm if I wish you to be whole. Nor can I wish you harm if I pray that God is with you... for when God is with you, God protects you.

Throughout each day it is good to start our meeting with friends, old or new, by wishing them well: HELLO, and on parting that God will bewith them: GOODBYE.

Perhaps any one who claims to be an atheist needs to find alternative forms of greeting.

Father Robert Miller

## Parents

The village hall fence is now in place but it is just there to define the area. Having had children and now grandchildren I understand how tempting it is for them to climb such a fence, but please may I ask you not to let them climb it as it really is not strong enough and it will not stand up to being climbed.

The village hall committee endeavour to spend the money we raise in looking after the hall and its surrounding area in as economical way as possible and we do not want to have to replace the new fence for some years.

Thank you

Celia Haselgrove (chair of the committee).

*We have met so many fantastic people, throughout the past few months, had uplifting conversations, offered support at times and learned new things. People visit us as a group for a special event; many pop in and by chance discover old friends who they had not seen for a long time. What a wonderful place The Greater Good is again, so far removed from the sad unloved building we first found. I feel very proud of this beautiful pub and look forward to more and more happy people joining us.*

*See you at the bar!*

## Are your trees a danger to others?

If you are a tree owner it is your responsibility to ensure the tree does not pose a danger to the public or to property. The owner is liable for any damage caused to a third party.

Please check your trees and if you are in any way concerned seek professional advice.

Trees provide a lot of health and social benefits but occasionally they require maintenance.

Please can we also remind you that householders are responsible for their hedges that border the Highway or public rights of way.

Please can you ensure your trees and hedges are not overgrown in public areas.

Under the 1980 Highway Act, a highway authority can enforce that hedges and trees do not encroach the highway.

## Fovant Parish Council

The next Parish Council Meeting will take place on Tues 2<sup>nd</sup> October 7pm in the village hall.

The agenda will be displayed on the village hall notice board and placed on the website.

**Members of the public are welcome to attend and there will be a short period of time set aside for public comments or questions concerning the parish prior to the start of the meeting.**

### Vacancy

**Following the resignation of Mr Smith there is a vacancy on Fovant Parish Council. This is being advertised and if no election is requested may be filled by co-option. Anyone interested in this vacancy should contact the Parish Clerk as soon as possible.**

### Best Kept Village Competition.

Fovant came second, with Hindon first and Dinton in third place. The report was mostly positive including the noticeable lack of litter so thank you to everyone who picks up litter whilst out and about.

The Judges were also very complimentary about the informative monthly magazine (a copy was sent with the entry).

**Wiltshire Historic Churches Annual Ride & Stride**

A big THANK YOU to all our sponsors who so very generously supported our efforts, on 8th September, to walk to as many Churches as we could in one day, in aid of the Wiltshire Historic Churches Trust. Ann Whitley kindly took us to Berwick St Leonard. In perfect walking weather we made our way to the little Church there before crossing the fields to Fonthill Bishop. Then we took the long footpath to Chilmark via Ridge, followed by another to Teffont Magna. This went rather awry as we anticipated a turning rather too early, involving a vertical climb and encounter with a fence before finding the right path! However, we had an unprecedented welcome at Teffont with a marvellous hot cup of coffee pressed upon us at the village hall. This set us on our way with renewed vigour to Teffont Evias, Sutton Mandeville and finally home to Fovant. It was good to chat with other cyclists and the lone walker we met. With our 2 measuring devices saying slightly different things, it seems we walked 11-12 miles - so you could say we earned our sponsorship! Our thanks go to the Churches that welcomed us, either with people or an array of goodies to keep us going, and in particular to the faithful Fovant welcoming party who each gave up an hour of their time during the day to see the other cyclists and walkers who called at our own Church.

The fund is still open if anyone would like to support Wiltshire's Churches. So far we have collected approximately £860 which is fantastic.

## Spring Orchard Surgery Newsletter October 2018

This month's newsletter is all about flu - or more specifically the annual flu immunisation programme and why it matters.

The flu virus mutates rapidly, which is why people need to be immunised every year. We are lucky in the UK as we can use data from Australia to guide planning in the UK, as their winter matches our summer and comes 6 months earlier.

The immunisation is produced in labs using the freshest evidence on which strain of flu is most likely to become virulent each year. It can be quite an anxious time waiting for our delivery of the flu vaccines as it is such a fast turnaround from identifying what strain of flu should be in the vaccine, to the labs producing the vaccines, to getting them distributed to the whole of the UK.

Each year there are refinements in how best to immunise the population. The main difference this year is that we now have 2 types of adult vaccine. One - called trivalent has been allocated to over 65s based on evidence that this age group will respond best to this particular form of vaccine. Another - called quadrivalent will be age for at-risk adults under age 65. The third type is a nasal spray of live vaccine. This is used for children (aged 2-17), as they respond best to this form of the vaccine.

A common response from patients when offered a flu jab is "Oh, I don't need one I never get flu". **Please can you consider the following message** - some people can become carriers or reservoirs of flu virus without showing symptoms. This increases the risk of other people contracting flu from you - and these people may become very poorly if they contract flu. It is why all health workers are immunised against flu - we have many contacts every day with people who will not cope well with flu, and it is part of our care for others to make sure we don't pass the infection on.

Another common response is "I had the flu jab once and I got the flu". The flu jab for adults contains dead (or more accurately 'deactivated') virus. All it does is expose your immune system to the proteins in the flu virus so that when you come into contact with the actual flu infection you are already several steps ahead in mounting the immune response which will kill off the infection. You can't catch flu from dead virus.

We can all do our bit for the whole community if we have the flu jab - imagine that the next person you stand next to at the supermarket is on chemotherapy, or is a toddler who is too young to be immunised - by having the flu jab you will be helping towards what is called '**herd immunity**'. Target immunisation rates are set at 75% for all eligible populations and this will reduce the circulating virus levels. This is an indirect way of protecting people from flu, but relies on enough people in the wider community taking up the offer of the flu jab to be effective.

A reminder - these age groups are routinely offered the flu vaccination

- Adults 65 and over (including adults over 18 at risk of flu)
- Pregnant women
- Children aged 2 and 3
- Children in reception class and school years 1,2,3,4 and 5
- Children aged 2 to 17 years at risk of flu.

And what are the risk groups?

I think the best way to think of this, is that these are people for whom developing pneumonia would be dangerous or difficult to recover from, and may require hospital admission

- Respiratory diseases - asthma when on regular inhaled steroids, COPD, bronchiectasis
- Cardiac disease - such as heart failure
- Chronic kidney disease
- Chronic liver disease such as hepatitis
- Neurological conditions such as MS, Parkinson's, motor neurone disease
- Diabetes
- Previous splenectomy
- A weakened immune system - HIV, regular steroid tablets, chemotherapy, DMARDs such as methotrexate
- Being seriously overweight (BMI of 40 or above)

At Spring Orchard surgery we currently have 729 patients who are eligible for flu immunisation.

**Please come along to the dedicated immunisation session on 13<sup>th</sup> October (Saturday morning 09:00 to 11:00) so you can get your flu jab in time for winter.**

Please note: Children and under 18s will be invited to a separate clinic at Wilton Old Orchard surgery as all the nasal spray vaccines are being stored there.

## EXERCISE "FOVANT DOG" The YMCA Emblem. August 2018.

In seven short weeks our YMCA emblem has come back to life, as *Village People* amongst you will have noticed (with or without *actions*).

Fovant Badges Society (F.B.S.) have since their formation latterly undertaken the preservation of 8 of the 9 scheduled monuments and war memorials on Fovant Down Escarpment above East Farm. There are 12 in total from Compton to Sutton. One not originally selected for preservation, the YMCA on Fovant Down, slowly was shrinking from view, even in its 'green ghost' state.

F.B.S. recently had taken the decision that we would renovate YMCA and were beginning planning necessary .Works

Thanks to Pauline Story directing Cpl. Booth of D Company, 5 RIFLES (5RDCoy) to the F.B.S. regarding his project to engage with the local community and explore RIFLES history, we were able to help each other. Cpl. Booth and D Company's offer to help renovation and maintenance works came at just the right time.

We quickly formed a joint project whereby the F.B.S. could achieve the renovation of YMCA and Bulford based 5RDCoy could forge links to the local community, conduct a 'field exercise', and revisit the history of their antecedent regiments in training a century ago at Fovant.

Exercise FOVANT DOG (for 'D' Company) was born.

5RDCoy planning and logistics, Historic England conditions, Ed Williams' inputs, and the FBS budget and procurement schedule were all quickly aligned to the anticipated start date of 21st September. Leonard Bernstein said "Great things happen when you have a plan, and not quite enough time". Bernstein's second condition was engaged when Cpl Booth became Sgt Booth (of A Coy) and the start on site was overnight moved forward to the last week in August, a Bank Holiday week, thus losing one precious day from a tight schedule!

F.B.S. immediately started the drawing and design work to re-establish the YMCA emblem in earnest. We began the procurement of mattocks, picket fencing, marking paint, survey gear, and the design of commemorative mug. Lump chalk had fortuitously already been procured for 2018 maintenance works and delivered early August just after Jake Hopper had strimmed the YMCA site and blown away the debris. It was astounding how this simple action 'liberated' and made more visible the old emblem's profile, both on the ground on the escarpment,

and from the view point at the A30 lay-by .

By the 24<sup>th</sup> August Dr Tony Phillips and I were briefing the Riflemen at Bulford. Tony on the history of the Badges, the relevance of the YMCA to WW1 soldiers' lives, and the genesis of the Poppy appeal (started by the USA YMCA); it fell to me to brief on the 'How-to' of site setting out and construction.

Early afternoon on the 28th August the advance party of 5RDCoy set up camp in Chislebury Fort, followed shortly after by the Riflemen themselves who had 'tabbed' down to the Down from Shrewton as the first part of 'Exercise Fovant Dog'. By 4.00pm that day they had started working and by close at 6.0pm (and BBQ time!) 20% of the emblem had been de-turfed and then chalk-filled; sterling work! And the weather had held

On the 29<sup>th</sup> after heavy overnight rain the weather cleared and 5RDC were hard at it again. It was clear that if the weather was kind the work would be substantially complete that afternoon, with some work being held back for the morning of the 31<sup>st</sup> when Sir Nick Parker (F.B.S. President) was due to visit site and accept the completed emblem from Maj. Buchan-Smith OC. 5RD Coy. Things were going exceedingly well.

As you may know the 12 Scheduled Monuments and War Memorials are under the remit of Historic England and three trusts have been established to foster their care and preservation. Each trust has one moribund emblem; all in need of resurrection. We had YMCA; Sutton Mandeville Heritage Trust ( SMHT) have the 'Shiny 7th'; and the Map of Australia Trust (MoatT) by a strange coincidence has the Map of Oz on Compton Down bluff. All three Trusts wanted to get their 'charges' renovated by Armistice 2018, being the centenary year of the end of WWI.

The amazing progress on YMCA meant there was a 'target of opportunity' for the 5RDCoy on the Wednesday afternoon to help advance one of other these badges. MoOz regrettably was not sufficiently advanced with its setting out, whereas Shiny 7th was, like YMCA, clear to see on the ground and had just been strimmed. 5RDCoy had the man power and the recently acquired expertise - and SMHT had a badge to renovate. Perfect match!

Maj Buchan-Smith kindly agreed to have his officers and NCOs investigate the possibility of doing something on Shiny 7th, and with John Gailey and Antony Firth of SMHT leading, and Jilly and Richard Strang kindly lending their 'trouper' 4x4s the Riflemen were on the hillside by 4.00pm and had it stripped in under 2hours! Just in time for Jilly to turn up with a brimming basket of high calorie choc bars and goodies which went down very well with the Riflemen ! A remarkable achievement; one emblem renovated and another badge kick started. It had been an amazing week!

A day back at camp then Friday morning saw 5RDCoy back on the hillside and shifting the last few tonnes of chalk and driving the fence pickets before Gen Sir Nick Parker addressed the Riflemen and accepted the renovated emblem on behalf of F.B.S. from Maj Buchan-Smith, after which each man received his commemorative mug. Adjournment to the Greater Good was then the order of the day! F.B.S. wish to acknowledge all those who helped with this YMCA project and brought it rapidly to fruition.

To Edward and Sue Williams for all their help and support, it would not have been possible without them.

To our friends Jonathan and Jake Hooper for their work in preparing the YMCA site and the later fencing works.

To Adam Clutterbuck and a Kevin Capon for their stunning aerial photography that made my work in setting out and defining the emblem so much easier. Kevin's panorama of the full hillside, with YMCA, is stunning.

To Peter Hanson for reminding me of our surveying course 50 years ago and helping mark out the profile on the escarpment.

To Travis Perkins, Shaftesbury, for their 'jumbo' aggregate bags, and Earlecoate Construction for theirs and in moving chalk from stockpile.

To Hugh Beamish and Stephen Miles of Historic England for their rapid responses in securing the Secretary of State's approval to F.B.S.'s proposal.

To all the trustees of F.B.S., to Nick Parker, and to Tony Phillips for willingly giving of their time to move things along.

And finally to Maj Buchan-Smith, Sgt Booth, Rifleman George, and all the officers ,NCOs and men of 5RIFLES D Company who worked with us on the Down this summer. A truly sterling effort.

Thank you all !

We hope that our relationship with 5 RIFLES will continue; will grow over the coming years; and we hope you and your children will want to be part of that. Fovant Badges ticks a lot of boxes for school projects! Have a look at our web site and get in touch.

## Fovant Badges Society – Centenary Project

Our WW1 Centenary Project, funded by the Heritage Lottery Fund, involved volunteers and serving soldiers building a 25m x 25m Flanders Poppy in 2016 on the hillside joining existing Regimental Badges. During the project around 12 hours of film, recording the construction of the poppy, using WW1 techniques, was shot.

We employed a Media Studies graduate of Southampton Solent University (SSU), who did an undergraduate project about the badges in 2015. He set up his own company to film the project. A 25-minute edited feature film which included a fictional recreation of WW1 soldiers building their badge (SSU Drama Undergraduates) the construction of the poppy and many interviews with the volunteers whilst they were constructing the Poppy.

Please take a look at our website: <https://www.fovantbadges.com/> ... click on the “New Badge Project” tab, then on “The filming project” to see the film.

You can also see a wealth of other information on our website.

### "Restoration of the YMCA badge

*How wonderful on Wednesday 29th and Thursday 30th August to be watching the very hardworking team from 5th Battalion The RIFLES doing an amazing job restoring the YMCA badge on the hill at Fovant.*

*This has been overgrown and barely visible for many years and we were, personally, saddened to see this. It has been remarkable how quickly they achieved such a clear restoration.*

*Thank you to whoever masterminded this project, it is great to see and VERY much appreciated.*

## Fovant CC August Lottery Results

With the final league games played in early August, Fovant were to share the top spot with Shrewton having both only lost 1 game all season. However, with net run rate deciding the winner, Shrewton were to clinch the League and Cup double for 2018, having demolished Chalke Valley in a one-sided final played at Steeple Langford.

Having lost just once, Fovant will feel hard done by, having not claimed the league but they will reflect on the one loss they did have away to The Shrews as a missed opportunity. With the hosts needing 70 off the last 7 overs, rarely do Fovant lose a game from this position but on the night, it just wasn't meant to be.

Its at this time that we should reflect on yet another season of hard work on and off the field and having struggled regularly to get 11 men, let alone 11 cricketers, onto the field each Tuesday, it's been a fine effort from all the squad to achieve such a successful season. Rob Pittman was to win the league's batting award, and 3 of the main bowlers were inside the top 12.

Onto the August Lottery results – delayed a couple of weeks to allow more shares to flow in. For this draw we were down just a handful to 75, but hopefully with the remaining shares coming in over the next couple of weeks we will be back up to the 80 mark.

The draw is as follows:

- 1st Prize : Ken Pearce (24) - £15.00
- 2nd Prize : Anthony Lunt (91) - £11.00

## YMCA Badge

On Bank Holiday Monday more than 30 members of D Company, 5th Battalion, The Rifles marched, in full equipment, from Shrewton to Fovant, setting up camp in Chiselbury Ring, directly above the regimental Badges.

They made a tentative start on their target badge that day, and assessed their self imposed task.

Fresh chalk had been deposited between their camp and the badge and with the help of many willing hands and gravity, work was completed in record time.

They departed the village on Friday after a visit to "The Greater Good", content in the knowledge that they had become part of a proud tradition.

**CATS** I am writing to let our neighbourhood know that three cats have died on Glasses Lane / Rectory Road / Sutton Road in just two months. Very sadly, two of them were our cats. Everyone in our family is devastated. RIP Pinky & Marley.

I am concerned that while Sutton Mandeville is a low traffic area, too many locals are driving too fast along Glasses Lane, and down the hill from the junction of Sutton Road and Rectory Road. As drivers, sometimes we switch off when driving familiar routes, and these moments of inattention can raise our risk of having a car accident. I would like to urge everyone in Sutton Mandeville & Fovant to PLEASE SLOW DOWN when driving the narrow lanes around our villages, and to remember that pets and kids are at risk if you don't drive with care. I would also like to remind drivers that if they hit and/or kill a pet, they have a duty to report the incident to a local vet.

Yours sincerely, Lara Colenso

## Fovant Folks Lunches 2018

### Penrudocke Arms, Dinton 12.noon

We meet at the Penrudocke fortnightly as usual, but will order at the table, so you do not need to book ahead. This may entail a slightly longer wait, hence the earlier start. Please continue to arrange transport yourselves. If you have never been to one of our lunches, why not give us a try? We are a friendly group, and would welcome new people.

You don't have to book – just turn up on the day

## Tisbury and Villages Link Scheme

Link needs drivers to take local people to doctors, dentists and hospitals. It is a really valuable service for our local people who are unable to access public transport to get about. Drivers use their own cars and are reimbursed for petrol costs. Some of our drivers just do a few drives a month. It is a great way to meet people and it is a way to help your community.

**Drama**

**Friday 12<sup>th</sup> October 2018**

**Based on the novel by Ian**

McEwan, this is the story of Florence and Edward (Soriese Ronan and Billy Howle), young university graduates getting married in 1962. She is a talented and ambitious classical musician from a well to do family and he is a clever young man from humbler origins. Both have first class degrees and in consequence, no small opinion of themselves. The wedding night is a painful, intimately humiliating fiasco with devastating consequences. Quite a story from a well known author.

Tickets will be available following the showing of the September film. Do get them early - this could be a sell out! Priced at £6 available from Kate Good Pottery, High Street, Tisbury (01747870367) (closed on Mondays).

Performance begins at 7.00 p.m. Any profit will be for the East Window Fund. TISBUS are happy to arrange transport to the Centre, so if you would like a lift, please ring 07500802525

And on November 10<sup>th</sup>, we shall be showing an up to date remake of Journey's End. Set in a dugout in Aisne in 1918 it is the story of a group of British officers led by the mentally disintegrating young officer Stanhope (Sam Claflin) as they await their fate.

**DUMPING OF RUBBISH from cars and lorries in our lay-bys and verges footpaths and bridleways. Cars are the worst offenders on our roads. If you see it happening, please report it to police, parish councillor, or your neighbourhood watch representative.**

**Note the car number and we will publish it**

**Hedges and trees are so easy to plant, and we forget how fast they grow, particularly in a year like this. The cost of pruning and cutting an out of control hedge is so much more than keeping it regularly cut.**

## WILTSHIRE WEST COMMUNITY POLICING TEAM TISBURY COMMUNITY AREA

Hello and welcome to this edited version of the Community Policing report for September 2018

### **Modern Slavery**

Modern Slavery comprises the recruitment, transporting, and harbouring or receiving of children, and adults for the purpose of exploitation through the use of force, coercion, deception, and abuse of vulnerability or other means. Modern Slavery can take many different forms; these include:

#### **Labour Exploitation**

Vulnerable victims are exploited for labour and are forced to work, often in isolated locations, against their will and under the threat of some form of punishment. Victims may be living on the offender's property and are often subjected to repeated abuse; very rarely are the victims paid or, if they are, it is by illegal underpayment.

Victims may be working directly for the offenders in businesses or sites that the offenders own or control, or they may work for others and have whatever they are paid 'taxed' by the offender for living expenses.

Perpetrators can make it can be very difficult for victims to leave, for example by threatening them, by retaining their passports or by using a position of power over them.

#### **Sexual Exploitation**

Victims can be forced, or appear to be willing, to work in the sex industry in a variety of locations. Such exploitation often involves the use of the Internet and can involve both adults and children. Victims may be brought to the UK on the promise of legitimate employment, or may be moved around the UK to be exploited. Victims are typically but not exclusively female.

Forced sex work can occur in fixed or changing locations. Fixed locations are those where victims are trafficked and exploited in established locations specifically set up for sex work. These can include brothels or rooms in legitimate business premises, for example massage parlours. Changing locations are those where victims are forced into sex work where the location of exploitation frequently changes; these include streets, clients' residences, hotels, or even 'pop-up' brothels in short-term rented property. Victims are frequently advertised online.

Victims can be trafficked to residential sites controlled by offenders and sexually exploited for the offender's own gratification. Some victims may be confined to the site for long periods of time.

Sexual exploitation (CSE) can be by an individual or by a group of offenders. CSE carried out by a group of offenders is usually for personal gratification, but sometimes the exploitation may involve forced sex work in a fixed or changing locations. Offenders frequently transport victims to a variety of locations to abuse them. CSE carried out by a single exploiter often involves the grooming of children and transporting them for the purposes of sexual exploitation.

#### **Forced Criminality**

Forced Criminality is where victims are forced or coerced into criminal activities for someone else's gain. For example victims could be coerced into begging, shoplifting, benefit fraud, drug cultivation or forced marriage. A growing phenomenon is the use of children and young people to transport drugs and money between cities and rural areas on behalf of crime gangs; this is known as 'county lines'.

#### **Domestic Servitude**

Victims are forced to carry out household tasks and their movements are often restricted. Victims can be exploited by their own partner and forced to undertake household chores for their partner and even their partner's relatives. If married, the marriage may have been arranged or forced, and the servitude, sadly, often occurs alongside domestic abuse and sexual exploitation. Many victims are children.

In some cases the victims are exploited by people they are not related to or who are complete strangers. The victims live with the offenders and are forced to undertake chores mostly confined to the house. Again, it is very difficult for victims to leave.

#### **Signs of exploitation**

There are many signs of potential exploitation - it's really important to be aware of what these are and to report them if seen. Here are some examples of behaviour or appearance of possible victims; they may:

- Have physical signs of abuse such as bruising or cuts
- Be unkempt, have poor personal hygiene and appear to wear the same (often dirty or damaged clothes) everyday
- Have unsuitable or no protective equipment for the job they are doing or may appear to lack the necessary skills or training for that job
- Be chaperoned or accompanied everywhere they go or appear to have someone speaking on their behalf

- Be disorientated and not know where they are. They may also get picked up from and dropped off at a location several times a day
- Appear malnourished or dehydrated
- Appear withdrawn
- Have no access to money or might have someone controlling their money for them
- Not have a passport in their possession
- Appear fearful, anxious or withdrawn and may avoid eye contact
- Appear exhausted

### Reporting

Information from the public is vital in the fight against modern slavery. Together as a community we can eradicate slavery and trafficking in Wiltshire, and reduce the exploitation of vulnerable people. Please report any signs of exploitation on 101 or someone is in immediate danger call 999 straight away. You can also report anonymously via: The National Modern Slavery Helpline on 0800 0121 700 or Crimestoppers on 0800 555 111

### Other Information

The Wiltshire Police website has had a bit of an upgrade and there has been a drive to improve the information about policing in the local CPT area.

If you now go the web page (see link below) and scroll down to the "News" tab, there is a box you can click on called "Your area". If you click on this, you will be taken to a map. Click on "Wiltshire West" and this is the page for your CPT Team. On this page you will see a range of useful features including a summary of the latest news as well as further links to your local team. Here you will see the general email address for the team if you wish to make contact.

The crime map is good (although usually two months behind), and can drill down to postcode areas. There is also a new section on the Priorities for West Wiltshire CPT.

### Crime Exceptions Data for Tisbury and the surrounding area

These figures are based on an evaluation of data, over a two-year rolling period. Using this data we can predict the average that should be expected in a specific month, and what are the higher and lower parameters that we may expect. Figures outside of these parameters are classed as 'Crime Exceptions'. Domestic Abuse figures will also be included in the values as it is on our Control Strategy but there will be no details shared on these cases.

August 2018 showed a total of twelve crimes for the whole Tisbury Beat area (EB11) against the average of

19.6 for this same month over the last 2 years; this is seven crimes fewer than we would normally expect - and a positive for the community. There are no exceptions within the rest of the data.

The five largest crime groups accounted for 100% of this recorded crime as follows:

- Theft showed 3 crimes compared with the average of 3.9
- Burglary showed 3 crimes compared with the average of 3.7
- Vehicle crime showed 3 crimes compared with the average of 3.9
- Criminal Damage showed 2 crimes compared with the average of 1.2
- Violence Against the person showed 1 crime compared with the average of 4.7

### Recent Crimes and Updates of note

#### **Donhead St Andrew: 9 August 2018: Vehicle offences:**

Overnight on the 8th August suspect(s) entered the yard of a property and stole a Mitsubishi L200 pick-up truck with multiple power tools within. Vehicle was parked in an open barn with no door. The vehicle was located on the 11th August at Compton Abbas Airfield in Dorset.

#### **Donhead St Andrew: 10 September 2018: Theft:**

**Tisbury: 5 September 2018: Criminal Damage:** Following a road related incident, a male suspect threw a rock at a vehicle causing damage.

**Tollard Royal: 5 September 2018: Theft:** Sometime on the 2nd September suspect stole a black Berghaus 12 litre backpack, left unattended at a music festival, containing a solid flask with white screw top and a black Paul Smith car wallet with bank cards and photo ID.

**Wardour: 7 September 2018: Burglary - Residential (shed, garage):** Overnight on the 6th September suspect(s) gained entry to a shed by removing the locks and taken an angle grinder from the shed. Suspects then used a wheelbarrow to remove a large amount of lead.

#### **Community Policing Priorities Within Your Area**

Inspector Andy FEE chairs a weekly internal "tasking meeting" where emerging community issues and concerns are raised and discussed for the whole West

Wiltshire CPT area. From this meeting, priorities and actions are set and a tasking document produced. This involves developing strategies and the targeting of resources (including partner agencies) into tackling the issue or concern.

The Tisbury Area currently does not have any priorities. However some theft from motor vehicles at beauty spots, while reduced in numbers, is still occurring in rural locations. There has also been some theft from vehicles, and from farm buildings, sheds and garages, non-dwelling burglaries mainly of gardening equipment, such as leaf blowers, strimmers and the like.

Our advice remains the same. We urge people to be vigilant of suspicious vehicles when they are parking their own and of people in and around these areas, and who may be watching you when using garden equipment or stowing things away. We also advise you keep a record of serial numbers for large electrical items, and ID mark them in some way such as with a postcode.

## Nutrition and More

I had an interesting conversation the other day about the merits of "Olive oil spread" as a substitute for butter. I was not enthusiastic and thought I would explain why.

The ingredients listed on the butter I use are: cream from unpasteurised milk, salt 2%, lactic starters. I had to look up the "lactic starters" and Mr Google kindly explained that the good bacteria in the starter change any lactose remaining in the cream to lactic acid, which improves the digestibility of the product for those who may be lactose intolerant. Contrast this with the ingredients, listed below, of a popular olive oil spread:

### Ingredients:

Vegetable Oils in varying proportions (38%) (Rapeseed, Palm, Sunflower), Water, Olive Oil (21%), Sweet WHEY Powder (MILK), BUTTERMILK, Salt (1.1%), Emulsifier (Mono- and Diglycerides of Fatty Acids), Preservative (Potassium Sorbate), Thickener (Sodium Alginate), Citric Acid, Natural Flavouring, Vitamins A and D, Colour (Carotenes).

Note that the proportion of olive oil is only 21% and that no reference is made to it being "Extra Virgin Olive oil" which is made from the first "cold pressing" of the olives and is extremely good for us. One has to assume, therefore, that it has been highly processed like all the other oils listed as the main ingredients. I list below what may well have happened to all these oils - and the ones for sale in their clear plastic bottles and plastic containers on the supermarket shelves:

### Processed oils

1. Cold pressing (e.g. extra virgin olive oil)
2. Solvent extraction (chemical solvents/heat)
3. Degumming (phosphoric acid/heat)
4. Refining (caustic soda/heat)
5. Bleaching (fullers earth/heat)
6. Deodorizing (steam distillation)
7. Extend shelf life (added butylated hydroxytoluene)
8. Hydrogenation (artificial hardening – now known to be very bad for our health and little used)

After all this, the resulting oils and margarines have lost just about all the nutrients which were present in the original oil and have gained a number of toxic molecules from the break down and alteration of fatty acids – and, probably, from chemicals like BPA which are used in plastic bottles, can leach into the contents, and are known endocrine disrupters (gender benders!).

We all need essential fatty acids (they are absolutely essential!) but they are easily destroyed/damaged. Their main enemies are heat, light and oxygen.

**SYNOPSIS OF A MEETING OF FOVANT PARISH COUNCIL HELD ON  
4th SEPTEMBER 2018 IN THE VILLAGE HALL.**

**Present** Cllrs Dunn, Havard, Holmes, Horne, Mallalieu, Phillips, Smith, Swift and Mrs Turner.

**In attendance;** Mrs C Churchill (Clerk). WC Cllr Mrs Green. 2 members of the public.

**Apologies** None.

**Report from Wiltshire Councillor Mrs Green;**

Concern that a tree is blocking footpath FOV15. Cllr Holmes will look at the problem.

WC has successfully fined people following flytipping.

New rules on animal licensing coming out in late 2018, re dog breeders, riding establishments – a seminar will be arranged.

Ward boundary review – Boundary Commission has agreed that WC can have 98 Cllrs (as it currently does), now looking at electorate numbers.

Pleased to hear about residents starting a residents association at The Elms.

Complimented the cutting back of greenery on the footpath opposite the village hall.

**Cllr Holmes opened the meeting at 7.11pm**

**Council meeting minutes** - to confirm and sign the minutes of the parish council meeting held on 3<sup>rd</sup> July  
Cllr Dunn requested the reason for his apology was changed from conflicting social engagement to illness.  
Fovant PC resolved to approve the previously circulated Minutes which were taken as read and signed by the Chairman.

**PLANNING**

**To note the following planning application.**

**18/06836. Old Fovant House, High Street.** Rebuild stone retaining wall of upper rear terrace (commenced), construct swimming pool on upper terrace of rear garden and enlarge rear dormer for ancillary accommodation to consented garage.

Fovant PC resolved to note the application.

**To respond to Wiltshire Council on the following planning application.**

**18/07798. Weather Oak, Moor Hill.** Demolish existing flat roof lobby and construction of a proposed pitched glazed porch.

Fovant PC resolved to make no objections to the application.

**To note the following application for tree work.**

**Centenary of 1918.** This year marks the centenary of the end of the First World War.

(i) To authorise the purchase of a wreath to be laid at the War Memorial.

Fovant PC resolved to purchase a wreath.

Clerk

(ii) To confirm who will lay the wreath at the War Memorial.

Fovant PC resolved that Cllr Holmes will lay the wreath.

Cllr Holmes.

(iii) To consider quotes for the addition of two names on the War Memorial – if received.

Clerk has been unable to obtain quotes.

Wilts Cllr Mrs Green suggested someone and will forward contact details.

Ongoing

(iv) To receive an update on the planting of trees along the A30.

Still trying to establish who owns the land on the south side. Clerk to contact Mr Hitchings.

Clerk

(v) To consider other parish commemorations. There are none.

#### **Highway matters.**

(i) **Overgrown hedges within the parish.** These continue to be an issue. Cllrs are requested to note any hedges that encroach the highway and report these at the meeting so further action can be taken. If the Landowner fails to cut back the hedge that encroaches onto the highway the matter will be passed to WC highways and legal departments.

The standard WC letter for parishes was read out.

Issue with hedge that is encroaching the highway and as a result the lorries are damaging the fence of the property opposite, Clerk has circulated photos received. WC Cllr Green has been in contact with WC Highways.

Clerk to write to householder in Dinton Rd,

Clerk

Cllr Holmes will deliver.

Cllr Holmes

Clerk to resend article to the Three Towers.

Clerk

(ii) **Parking on Tisbury Road near the Elms.**

An article appears in this month's Valley News. The Police have written to all residents warning that any future obstruction of the pavement will result in a ticket.

The next residents meeting is on 18<sup>th</sup> October.

The area at Sutton Rd needs clearing – it was clarified that this land does not belong to Fovant PC and as such Fovant PC can not do anything with the land.

(iii) **20mph limit.** Next steps to encourage compliance with the new 20mph limit. Cllr Phillips reported this was discussed at the July CATG meeting and put in the Top 5 schemes (which means it is looked at by the Engineer). The Engineer has visited and a list of 13 ideas raised which will be costed and referred back to CATG.

(iv) **High Street / A30 junction.** To receive an update. Cllr Phillips reported that this was included with 0292(iii) above.

(v) **Parish Steward List.** To agree items to be added to the Parish Steward list.

Sign at Brook St / A30 still needs erecting.

Cllr Phillips

Link bridge (Brook St ) has been damaged.

Cllr Phillips

#### **Update of actions from the Minutes dated 3<sup>rd</sup> July 2018.**

1. (0262) Planning application for land adjacent to Moor Cottage was approved.

2. (0272.2) Recreation Ground following the annual inspection. Cllr Havard reported he was waiting for the ground to soften and then will put the new fence posts in. Agenda item next meeting. Clerk

3. (0272.3) Transferring the ownership of the Old Playground Sutton Road . No update.

4. (0275) Tractor speeds through the village – Cllr Holmes to reported that some tractors did reduce their speed but once again is an issue.

#### **To receive brief reports from Cllrs.**

Village Hall – Cllr Mallalieu is now the representative.

Website – Cllr Havard this is all up to date and working well at the moment.

Community Speed Watch – Cllr Holmes was asked to provide a summary of the data for the PC meetings.

Cllr Holmes

The Police have been in the parish supporting CSW.

Three new volunteers, a new training system has been introduced.

#### **Clerk's Report.**

No additional meeting was required in August.

### Ward Boundaries

There is currently a review of the Wiltshire Council Ward boundaries, this is being undertaken by The Boundary Commission. The Boundary Commission has agreed that Wiltshire Council can keep 98 Councillors but want to ensure the 98 wards are of similar size of 4291 electors per ward. Fovant and Compton Chamberlayne are currently in the Fovant and Chalke Ward within the South West Area Board. This consultation will be considered by Fovant PC at the October meeting.

Details are available online by going to

<https://cms.wiltshire.gov.uk/mgGeneric.aspx?MD=ElectoralReview&bcr=1> (Wiltshire Council) or

<https://consultation.lgbce.org.uk/node/14518> (Boundary Commission).

Key facts and figures

The current electorate for the South West Wiltshire Community Area is 18002, with 5 electoral divisions. It is the only area board which is made up of 3 entire community areas.

The average division size at present across the council area is 3752.

The projected electorate for the South West Wiltshire Community Area in 2024 is 20022. The number is presently draft only.

Below are listed the draft figures for the projected electorates for the current pattern of division, and for parishes, in 2024. These may be subject to some change.

Divisions

- Mere – 3876 Nadder and East Knoyle – 3654 Tisbury – 3749 Wilton and Lower Wylve Valley – 456
- Fovant and Chalke Valley - 4356

Parishes

Alvediston – 82

Donhead St Andrew – 358

Semley – 420

Ansty – 112

Donhead St Mary – 869

South Newton – 566

Barford St Martin – 458

East Knoyle – 610

Stourton – 174

Berwick St John – 224

Ebbesbourne Wake – 189

Stratford Tony – 56

Berwick St Leonard – 30

Fonhill Bishop – 88

Sutton Mandeville – 216

Bishopstone – 541

Fonhill Gifford – 98

Swallowcliffe – 166

Bowerchalke – 341

Fovant – 567

Teffont – 241

Broadchalke – 556

Hindon – 409

Tisbury – 2004

Burcombe – 114

Kilminster – 233

Tollard Royal – 106

Chicklade – 73

Mere – 2743

West Knoyle – 140

Chilmark – 430

Netherhampton – 896

Compton C'layne – 76

Quidhampton – 317

Wilton – 3679

Dinton – 580

Sedgehill – 103

Zeals – 585

It is these numbers, once confirmed, that the LGBCE will use to create new divisions. They may use parts of parishes, and may not utilise existing area board boundaries. Please be reassured that this review does not affect parish boundaries but is looking at the size of the Wiltshire Council wards.
