0422. Change to the existing 30mph speed limit in Dinton Rd.

Currently there is a 20mph speed limit running from the junction with the A30 (High St) to a point 10 metres north of its junction with Middle Ground. It then changes to 30 mph until a point 30 metres north of its junction with Leatler Close

The proposal is to reduce the existing 30 mph limit to 20mph thereby creating a 20mph limit from 10 metres north of Leatler Close to the High Street junction with the A30.

The cost of the assessment will be £1000 for Fovant.

The assessment is requested through WC.

Following the assessment there would be additional costs for implementation, the exact cost is unknown until after the assessment.
