Stories of transformed lives in Dorset and Wiltshire

THE CHURCH
OF ENGLAND
DIOCESE OF SALISBURY

May/June 2019

Go For It!

The Revd Lorraine Dobbins is the Vicar of St Francis, Littlemoor, Weymouth. Their Vision Statement says "We aim to relate to people meaningfully in the community". How does that work in practice?

"This is my 15th year and what drew me here was the church 'family'. They said they really wanted to engage with the local community. It's been a real journey and now 80 per cent of what we do is focused on God's call to us to minister to and bless those around us.

"So, the focus isn't just the in house stuff and even Sundays themselves have become about how we can grow as disciples and be equipped to serve Jesus out in the community during the week.

"There is a strong sense of community here. Littlemoor is an area of quite high deprivation. The

new road from Dorchester cut half the community off and we are still adjusting to that.

"A few years ago we had a time of seeking God and our vision and how we could reach out to the community and what we wanted was our building to be a hub, but our vision was to meet the needs of the community, not necessarily to get them into the church for worship and that brought about a big change.

"The church now has a large soft play area in the main worship space, a community café and washing machines that provide a community

The Very Revd Nicholas Papadopoulos,
Dean of Salisbury

"Come, Holy Spirit." With these words the Archbishops of Canterbury and York conclude a recent letter to the clergy. They asked us all to pray these words in the days between Ascension and Pentecost. The Archbishops recall how the disciples gathered after Jesus's Ascension and devoted themselves to prayer, awaiting the outpouring of the Spirit that he had promised. In particular, they asked us to pray that that same Spirit might work in the lives of five friends "... who have not responded with their 'Yes' to God's call".

But these days of prayer, and the global movement now associated with them, have a different three-word strapline, taken from another prayer. "Thy Kingdom Come".

"Teach us to pray" say the disciples.

"When you pray, say..." responds Jesus, introducing some of the most well-known words in Scripture.

"Thy Kingdom Come" is (of course) the first half of the second petition of the Lord's Prayer. If we can get beyond its familiarity, it's a breathtaking prayer. It's that God's perfect rule - God's justice, righteousness, God's good purposes - should be realised.

Here. Now. In a messy and imperfect world that is riven with cynicism, poverty, and despair.

It's an amazing thing to pray. And isn't it a rather bigger prayer than a prayer for five friends?

Now, I love that we'll all be praying together. I look forward to welcoming many of you to the

Cathedral for a joyous Beacon event. And I will pray for five friends, because if prayer is like charity then it starts at home. But...if prayer is like charity, then it cannot end at home. So I will also pray that five virtues of the Kingdom might be poured out not just upon my five but upon all. Forgiveness. Humility. Thankfulness. Justice. Peace. Whenever they are lived and by whoever they are lived, they serve to bring the Kingdom of God closer.

Thy Kingdom Come! Alleluia!

Amen

laundry service.

"When we opened the café, we wanted it to be a community, not church, café. We wanted Starbucks on a shoestring! The first stage was in our hallway, because the worship space with its heavy chairs couldn't be used. Then through church giving we purchased stackable chairs, so the café is now in the main worship area. and with the soft play during the week, the whole building is that hub we wanted.

"There have been sacrifices made by the congregation - the soft play area isn't pretty to look at and it takes up a lot of space and it can't

be taken down just for worship. But it was a domino effect and some of the church family who had wobbled originally were gathered around the soft play area when it arrived, praying for its use.

"So people were happy to make that sacrifice knowing that the church would be used by the wider community.

"We are not a big church, in one of the most deprived areas of the Diocese, so we punch above our weight. The vision was bigger than we thought we could deliver, so I encourage people.

"You don't have to be big.

"We found that when we stepped into the vision God had for us, the money came in. At the beginning we had grants of thousands of pounds for the soft play area but couldn't pay our share, but we found as we stepped into the vision God had planned for us, the money came. We stepped out together in faith. The church family is with us.

"So I'd encourage other churches to go for it!"

Reviewing Hope

David Pain,
Diocesan Secretary

Bishop John Gladwin, former Bishop of Chelmsford, visited our Diocese in March to conduct an interim review into our Diocesan Vision and Programme Renewing Hope - Pray Serve Grow.

He has now submitted his report and our Diocesan Secretary, David Pain, reflects on its conclusions.

'A thriving Christian presence in every community' is an inspiring vision- what does it mean in practice for you?

Our calling as disciples of Jesus is different in each local context, rural and urban, as we deepen our understanding of God and of ourselves.

The great diversity of the Diocese

of Salisbury is one of our many strengths. As we look to the future, what might we need to pay attention to so that we thrive in a changing society?

In March Bishop John Gladwin spent a week with us. John's task was to help us take stock of 'Renewing Hope - Pray, Serve, Grow', the framework we use as we seek to respond to God's calling in each community where we serve.

His report challenges us to think more about how culture is changing and how our ministry is going to have be lighter and more flexible. He challenges us to 'go local', to 'travel light' and to work collaboratively. The report includes six core values and a dozen recommendations. You can download it from the diocesan

website.

In the autumn of this year we will start to set out a three year balanced budget for the diocese. This will reflect the priorities we need to attend to as we plan for our future and respond to John's report. It will be great to hear your voice in this conversation. At the front of the report I set out how you can give feedback. I look forward to hearing from you!

You can read Bishop John's Report at <http://bit.ly/reviewinghope>.

The deadline for feedback is 5 July.

Back in April, the fire at Notre Dame dominated the news for a week. Things have moved on. There have been other disasters. Then the sight of a much-loved building seriously aflame caused people around the world briefly to despair. There was talk of hope arising from the ashes. President Macron spoke about rebuilding bigger and better - and the State paying for the rebuild. Imagine Teresa May announcing, if St Paul's was burnt down, that the State would pay for its rebuilding.

In fact the French State is obliged to pay for those repairs. It owns the cathedral of Notre Dame, because it was confiscated by the government under the Third Republic along with much other Catholic property, particularly under the French Education Act of 1905; mostly schools, for most of the education was in Catholic hands, but many hospitals too. The State feared a monarchist revival through Catholic influence. If you visit any French church built before 1905 it is likely to look slightly uncared for. It isn't helped by population shift and clergy shortages but it is primarily due to that Government confiscation.

Go to visit the chapel atop Mont St Michel, a prime tourist spot, on Ascension Day; climb all the stairs and you will find it locked as, strangely, Ascension day has survived as a public holiday, and all public buildings are closed for the day. If you ever went to Notre Dame you might have noticed that the cathedral was open to visitors to wander at will in the middle of a Catholic service.

At least 6,000 members of religious orders were forced to leave the country to continue their life abroad. It looked like a disaster but it has proved to be to the benefit of our own country. Catholic schools were opened in England (still recovering from the Reformation, Catholic Penal Laws, and a host of other discrimination which has largely been forgotten). Abbeys were refounded - examples among many would be the Benedictines at Quarr on the Isle of Wight, Buckfast in Devon, and the Sisters at Tyburn. Augustinians of the Assumption lost their news paper empire, and would have lost their hospital and chaplaincy ships which they used to serve the 10,000 or more French who would spend the winter months fishing for cod in the ice and fogs off Newfoundland every year, but shrewdly had placed their work under lay management. I imagine those who saw such persecution and the loss of buildings, personnel and so on would have begun to despair; perhaps even cried, 'My God, my God, why have you deserted me'. Something we also heard on Good Friday.

Imagine how the close associates of Jesus, the Jesus they thought to be the Messiah, must have felt when He stood before Pilate and was condemned to death. And not just any old death, not the speedy death of the French guillotine, but death by Crucifixion. Painful, lingering, exhausting. Distressing for all around to see, and apart from the jeering crowds, with only the centurion, and Mary and John standing by him. Despair and perhaps two thoughts: WHY, WHY, WHY??? and 'Is this the end of all our hope?'

Well, in France they talk of a rebuild for Notre Dame. In England, thanks to French anti Catholicism we had a flowering of Catholic religious orders and Catholic schools. The Augustinians' shrewdness led them to make a major contribution to today's world-wide Apostleship of the Sea. There are other examples. All that and more is true.

But what it does not say, but which Christians remember every Sunday, is that the crucified figure on whom so many hopes had been placed rose from the dead on the third day, and promises us a share in His risen life. Much better than any promise to rebuild Notre Dame.

Fovant Youth Club.

Unfortunately the committee of Fovant Youth Club have had to make the decision to close, the final meeting being the 28th June 2019. This is due to lack of response from the notices inviting children and parents/carers to express what they would like from their youth club. Only 2 children have shown an interest in coming along and sadly we need more children coming to be able to pay the always increasing bills.

We are exploring alternative charitable uses for the building, before making any final decision on the future of the premises.

POSTAGE STAMPS FOR CHARITY

I am pleased to tell you that we contributed £180 towards the Salisbury Hospital Stars Appeal MRI Fund in the 6 months it was our designated charity – well done all !

I hope that you will continue to save your used postage stamps for us – even the common British ones have some possible utility, so don't throw any away!

Of course, those old schoolchild collections lingering in the attic would be very useful for us, if there is no longer any one in the family interested in collecting.

If you or your relatives or friends have stamps which you have saved for us, please call Mike Carey on 01722 714633 if you would like him to collect them - or alternatively drop them off to him at 2 Home Close, Sutton Road, Fovant

The charity we will now be supporting, until further notice, will be the Salisbury Hospital Hospice.

Thank you for your efforts towards this good cause.

Attention all Footpath users

If you have recently noticed a group of youngsters enjoying themselves toiling on one of the Fovant footpaths, this is a local charity, **Seeds for Success S4S**. Its aim is to support the development of young people through the delivery of training and practical volunteering opportunities. This may sound rather dry, but a few minutes spent observing these youngsters joyfully engaging with other team members and their amazing supervisor Jaki demonstrates what an important scheme it is. This spring their attention has

focused on Fovant again. Using materials supplied by Wiltshire Council, S4S repaired a causeway footpath near the church, and then footpath 6 that runs from the end of High Street near the village hall, eastwards up to one of Ed Williams' fields. The change to fp6 is truly amazing. Work on fp6 was started by South Wiltshire Ramblers 'Heavy Gang', then carried on by S4S. The new steps and railings must make it a much safer experience when being pulled by a dog – or two! S4S were also responsible for revitalising the daffodil array on the A30 verge rising up the hill from The Greater Good, and from what Jaki tells me our Editor Pauline had a hand in that.

S4S depends on donations. Many of us are now benefitting from their efforts. Doing a head count of the number of walkers using fp6 would be very instructive. Perhaps it is time to dig hands into pockets to show our support for the S4S scheme. If you can't see how to do that on the S4S website, Jaki says please contact her directly, email jaki@seeds4sysuccess.org.uk. Or tel. 075857 23824.

Group Consultations

We had the first group consultation on the 15th May which went really well. Initially we are going to focus on group consultations for people with Type II diabetes, but will develop the format for other clinical areas as time goes by. Any suggestions on themes for these consultations are most welcome. We are getting on-the-day feedback from people attending the group consultations, which should mean that these group consultations continually improve. We hope that as they develop they become a really effective, enjoyable part of the care we offer.

Evening Clinics

Evening clinics run on Monday, Tuesday and Friday evenings. On Monday and Tuesday evenings this clinic should be primarily for people with urgent problems that cannot wait until the following morning to be seen or for people who work during office hours, (where it is not appropriate for them to be taking time off work for a non-urgent appointment).

The Friday evening clinic is to review people who may deteriorate over the weekend (as well as for urgent problems, and/or workers).

Please can you come in the morning if possible – this frees up the evenings for those patients that don't have the option to come in the morning.

The drop-in appointment system means that you will always be seen if you arrive between the stated clinic times of 8:30 to 10:00 or 17:00 to 18:00.

We need to have a clear cut-off for the evening clinic times, so that we can ensure everyone has been dealt with before the surgery closes at 18:30. The surgery remains open until 18:30 for collecting prescriptions or for queries with reception.

The new website is not particularly clear about the timings of evening clinics, so we are going to review and hopefully improve the website wording later this week. Any feedback you want to share about the website will be gratefully received.

Best wishes,
Dr Kinlin

FILgroup meeting April

Dan and Kate from The Forge cake shop in Salisbury kindly joined Filgroup for their April meeting and gave a demonstration on how to use fondant icing to decorate cup cakes. The finished product had a pretty quilted effect with edible glitter and flowers. Armed with various tips from Dan, the members were then each given their own cup cake and bag of tools to replicate Dan's very professional one.

Amidst a lot of chatter and laughter, the end results were surprisingly good! Dan and Kate were on hand to answer any questions and were great fun. They had also brought along various cake decorating items to buy at a discounted price. Proceeds from the raffle went to Edukaid - The Kushona Project, as Filgroup had decided to support the charity after Rebecca Clayton's popular talk in February.

Thank you, Dan and Kate for a very enjoyable evening.

WILTSHIRE WEST COMMUNITY POLICING TEAM -

Hello and welcome to this
edited version of the
Community Policing Report for
May 2019

CRIME STATISTICS - LATEST QUARTERLY FIGURES

Wiltshire has seen a drop of three per cent in the number of overall recorded crimes in the county, according to crime statistics out today (25/04).

Between January 2018 and December 2018, Wiltshire Police recorded 42,483 crimes overall – a decrease compared to the previous 12 months. Burglaries and vehicle crime dropped by 25 per cent and 26 per cent respectively, while thefts from a person dropped by 15 per cent and thefts, in general, went down by 10 per cent.

Angus Macpherson, Wiltshire and Swindon's Police and Crime Commissioner, welcomed the latest figures and said they showed Wiltshire was continuing to 'punch well above its weight' for a small, rural force and was working hard to deliver the best service possible within the funding awarded.

He said: "Overall, Wiltshire is a safe county and I am pleased to see these latest figures really highlight the hard work that is being done by the Force to continually maintain this aspiration for our communities. We are a small, rural force that is striving to punch above its weight in delivering first-class policing and these figures show that we are continuing to deliver. Our improved recording practices, which Wiltshire Police has been focusing on 18 months ahead of most other forces, has helped with the accuracy of these figures. It is heartening to see that burglary and vehicle crime have dropped considerably and this is a result of my challenging the Chief Constable and his team on the improvement on burglary and vehicle crime numbers. This type of scrutiny is essential to ensure Wiltshire Police continues to deliver for the communities it serves."

Despite the overall drop, recorded robbery saw an increase of 79 incidents in 2018 compared to 2017 figures (that's a 31 per cent increase), alongside a 25 per cent increase in stalking and harassment.

Angus added: "The increase in any crime, especially robbery, stalking and harassment, is concerning to me. However I am pleased to see the Force is robustly responding to the concerns that I, and the wider community, have about these crimes. As a county, the average number of robberies is low compared to other

areas of the country and even small increases push the percentages up. I remain committed to ensuring that victims will be heard and have the confidence to report crime to Wiltshire Police and receive support from their very first call - and throughout the criminal justice process - when they do. My pledge is to continue to fund a number of victim support services across the county to ensure that this continues to be the case."

Assistant Chief Constable Craig Holden also welcomed the figures. He said: "The reduction in the overall crime figures is really positive news; however we are not complacent and remain focused when it comes to tackling all crimes and offenders. It is concerning to see a rise in robbery as I know this is an offence that can increase the fear of crime to communities. As a small force with a large rural footprint, robbery offences are generally low. This means that when there is a small increase in numbers of recorded crimes, the percentage increase can be high, as seen in the statistics. It's worth noting that these robbery figures returned to normal after just two spikes in February and June 2018. We have robust methods of scrutiny and compliance to ensure we have accurate recording of crime, including robbery and we believe that this high level of recording accuracy has contributed to the figures for Wiltshire. The introduction of the Community Tasking Teams has been a positive step in targeting priority offenders. They have had a significant impact in reducing burglaries and the same teams are applying a similar focus to robberies, which I believe will support a reduction over the next few months."

OTHER INFORMATION

Changes to the West Wiltshire Community Policing Team (CPT)

I am pleased to confirm Inspector Andy Fee has returned to lead the team once more, following a period of secondment, to Public Protection Department.

Following Inspector James Williams' recent promotion, we will be welcoming Police Sergeant Dan Green to the West Wiltshire Community Policing Team as Deputy Sector Sergeant.

Pc Helen Daveridge has been successful in becoming a Community Coordinator and will be taking over the Westbury, Warminster, Tisbury and Mere area. Pc Lee Pelling will be moving areas and becoming the Community Coordinator for the Melksham area.

Crime Exceptions Data for Tisbury and the surrounding area

feedback@wiltshire.police.uk

These figures are based on an evaluation of data, over a two-year rolling period. Using this data we can predict what figure is the average that should be reported in a specific month, and what are the higher and lower parameters that we may expect. Figures outside of these parameters are classed as 'Crime Exceptions'. Domestic Abuse figures will also be included in the values as it is on our Control Strategy but here will be no details shared on these cases.

April 2019 showed a total of 26 crimes for the whole Tisbury Beat area (EB11) against the average of 19.7 for this same month over the last two years. This is within the parameters we would reasonably expect. There are no exceptions within the data.

The six largest crime groups accounted for 96% of this recorded crime as follows:

- Violence against the Person showed 9 crimes compared to the average of 5.1
- Theft showed 5 crimes compared to the average of 3.8
- Burglary showed 5 crimes compared to the average of 4.4
- Criminal Damage showed 4 crimes compared to the average of 3.2
- Public Order Crime showed 2 crimes compared to the average of 1.3
- Drugs crime showed 1 crime compared to the average of 1

Recent Crimes and Updates of note

Ansty: 20th April 2019: Animals/ Wildlife: Suspect allowing her dog to run loose and chase the victim's sheep.

Chilmark: 12th April 2019: Criminal Damage: Offenders damaged the fence to a property by cutting it with garden tools.

Chilmark: 23rd April 2019: Drug Offence: A twenty-one-year old male of no fixed abode arrested after being found to be in possession of Cannabis.

Donhead St Andrew: 20th April 2019: Burglary (Residential): Offender forced open garden gates and entered house via door; nothing was taken.

Semley: 23rd April 2019: Burglary Business: Entry gained into the premises, locks of a tool box and cupboard cut, and Milwaukee 18 Volt Impact Drill Driver stolen.

Sutton Mandeville: 15th April 2019: Burglary (Residential - shed/garage): Offenders stole a STIHL chainsaw and petrol strimmer from an unlocked outside storeroom.

Tisbury: 15th April 2019: Theft: Between the 12th and 15th April offender stole an Orange Belle Cement

Mixer, with a Honda Engine, from the rear of a property.

Tisbury: 22nd April 2019: Burglary (Residential): Offenders(s) entered through locked conservatory doors, carried out an untidy search, and stole jewellery.

Tisbury: 30th April 2019: Criminal Damage: Offender pushed down a newly built wall.

Community Policing Priorities within the Tisbury Beat

Inspector Andy Fee chairs a weekly internal "tasking meeting" where emerging community issues and concerns are raised and discussed for the whole West Wiltshire CPT area. From this meeting, priorities and actions are set and a tasking document produced. This involves developing strategies and the targeting of resources (including partner agencies) into tackling the issue or concern.

The West Wiltshire and the Tisbury Area currently have the following priorities:

(i) Rural Crime: Following on from the successful OP ARTEMIS rural patrols, we are now targeting proactive patrols around wider rural crime matters including burglary, vehicle interference and theft. This is to increase our visibility in rural and farming communities and to offer reassurance to residents and the local public.

(ii) Misuse of Bus Lane: Following reports to Westbury Town Council, the local CPT are looking into complaints of speeding and misuse of the Bus Lane in Slagg Lane/The Ham. We are encouraging the local residents to report to us the specific dates and times when this is believed to be occurring so that we can conduct more targeted and visible patrols in the area. We would encourage any residents that have parking issues to report this to the Wiltshire Council for their consideration.

(iii) Burglary Patrols: On the 6th March thieves broke into the Tisbury Sports and Social Club, targeting alcohol and cash. This was possibly linked to a similar burglary that happened to the Village hall in Shrewton and the Social Club in Mere two days later, on the 8th March. Enquiries into these burglaries are currently ongoing; however as a result we conducted targets evening and night time patrols of these rural locations.

Community Speedwatch (CSW)

Every 2 weeks, 4 Community Speedwatch Schemes across West Wiltshire are selected by Leanne Homewood for CPT support (additional targeting, enforcement and patrols) to supplement the CSW team planned sessions. These are included in our weekly tasking document for action and update. All the results from the supplementary speed checks conducted are fed back to the relevant Town and Parish Councils in their individual Police Reports. The

current Speedwatch Schemes being supported in the period were until the 10th April 2019 included Hindon in the Tisbury Beat outside and near 2 High Street.

Events

For those looking to organize an event within the community, please have a look at the toolkit available from Wiltshire Council; this gives guidance and advice with regard to most types of events, including information about traffic management and which agencies and departments need to be contacted when applying for various licences and road closures. The toolkit can be found at <http://www.wiltshire.gov.uk/public-events-toolkit.pdf>. Please email our Operations Planning team with details to: opsplanning@wiltshire.pnn.police.uk
South West Wiltshire Area Board's Community Safety Group

The next meeting is scheduled for Wednesday 5th June 2019 at 6pm in the Nadder Centre, Tisbury.

March & April Lottery Results

With the midweek season now only 10 days away for Fovant CC all systems are go for another positive season in the Old Sarum Invitation League.

With Chalke Valley and Amesbury pulling out of the league, it is the first time in a long while the league will only play with 6 rather than the 8 teams. With this in mind, the format of the league has seen a drastic shake up in order to generate some new life into the competition, and who knows attract new teams to the league in 2020.

The league has adopted a '100 ball' rule format which will see 15 six ball overs, with the 16th over consisting of 10 balls all from one end. In addition to this, there will be a batting bonus point for scoring 125+ runs and a bowling point if 7+ wickets are taken. Batters will retire at 35 this year and the introduction of a free hit if a no ball is bowled will remain, after positive feedback from the 2018 season.

Fingers crossed these changes are for the better. The hope is that it may make the games more competitive and will give all games more meaning.

Onto the lottery and with March & April rolled over into 1, the combined shares were at 146. The results are as follows:

1st prize : Andy & Ali Nuttall (75) - £28.00

2nd prize : Vanessa Fry (62) - £20.00

3rd prize : Martyn White (30) - £15.00

As ever many thanks for everyones combined support to the lottery. Here's hoping now the season has started we can get back over the 80 shares mark.

VILLAGE HALL FUN QUIZ

Fifty-eight villagers and their friends attended the Village Hall Fun Quiz on Saturday 27th April. The ten teams enjoyed four rounds of brainteasers and a couple of picture quizzes, set by Question Master Mike Carey with a welcome interval in the middle to devour a tasty hot supper provided by Cheryl Holloway (she does the highly-recommended Tuesday lunches in the Village Hall) followed by delicious puds donated by Hall Committee Members and other ladies. The bar, run by Bruce Jones, maintained a brisk trade through the evening and Beryl Paton ran a well-received raffle, with prizes donated by Hall Committee Members and villagers – for which our grateful appreciation. Bernard Allnutt coped manfully with maintaining the scoreboard throughout the contest – no mean feat against the general hubbub. With questions tailored to meet all abilities, the spread of total points between teams was

commendably narrow, with the winners by one point "The Winos" Team (pictured below).

Winnings Team: The Winos (l to r) Valerie Heal, Mark Hayter, Ruth McDowell, William Holmes, Sally Hayter, and Val Bell

Our thanks to all those who came to the event and to the many people not specifically mentioned above who put time and effort into making the evening such a success.

Nutrition and More

I was having a discussion with friends the other day about the damage being done to the Earth and our food chain by industrialized agriculture (I expect they might say that I was delivering a lecture – but be that as it may!) when the subject of overpopulation and thus the need for all that modern agriculture can do in order to feed the world's ever-increasing population came up. My comment that numerous studies state that we could feed the entire world now if we did not waste so much food was not really believed – but a huge factor, especially in the so-called third world, is lack of the means to get the food, in a good edible condition, from where it is produced to the people who need to eat it while in our affluent Western world the problem is food waste.

I was delighted to hear on the news today that the Government seems to recognize this latter fact and has plans to tackle it – I could hardly believe what I was hearing and can't wait to hear more!

There are many ways that we waste food. The "sell by" date on packaged food is a very mixed blessing. I have come across people who simply throw the whole pack into the bin the moment the sell by or use by date is reached without even checking whether the food might still be perfectly edible. How did we all manage to make sure that food was safe to eat when we were younger? We used our eyes, our noses and our common sense of course!

Supermarkets have had a lot to answer for in this respect. I believe that now many of them make a point of donating food to charities and organizations that provide meals for the needy rather than throwing food nearing the end of its life into huge skips. And so they should!

I had such a pleasing experience in Waitrose a week or two ago. I was watching a very young girl expertly slicing off the last few bits from a turkey breast for me on the deli counter. While she was weighing and wrapping it I asked what would happen to the carcass. She said that it would be thrown away and asked whether I would like it. I said "Yes please!" and she wrapped it up and gave it to me saying "There is such a lot of waste in supermarkets". I could have cheered at her understanding of this! She asked what I would do with it and I said that I would first of all pick off as many scraps of meat as I could and make either a curry or a sweet and sour dish with them and then simmer the carcass for several days to make bone stock and, with the addition of vegetables and the help of a liquidizer, a large pan of soup. This I did and it was delicious.

I have seen, on TV in the past, examples of farmers who have been asked by a supermarket to grow a specific crop for them and then been told that it was not quite the required shape (carrots for instance) and wasn't wanted after all. This left the farmer, who was unable to sell the food elsewhere, with no option but to plough it all back into the field! I do hope that this no longer happens?!

Finally – what about this? I have been asking Wiltshire Council for some time to collect food waste – which when fed through a biogas digester produces not only gas to drive turbines and make electricity but also valuable fertilizer. A number of other organizations have also requested this. The response has been that it is too expensive to set up a collection service in a very rural county like Wiltshire (though many other equally rural counties do!) and experience from other areas says that once people start to separate out food waste they begin to realize just how much they are wasting and change their buying habits. This leaves an expensive collection service with much less to collect - so it's not worthwhile starting along this road.

I have tried very hard to make some sense out of this attitude – isn't it good to reduce food waste?!

Good Health!

Fovant based Mum Lucy Dunn was the well deserved winner of Carer of the Year at the prestigious Wiltshire Life Awards held in the stunning venue of Messums, Tisbury on 29.03.2019.

Lucy was chosen as the winner, with nominations coming from all points of the county north, south, east and west, by an independent judging panel chaired by Helen Birchenough, Deputy Lieutenant of Wiltshire.

Lucy devotes all her time to caring for her four-year-old son, who was diagnosed with an extremely rare condition, Congenital Disorder of Glycosylation Type 1A when he was 16-months-old.

Due to this he has Global Developmental Delay, Louis is unable to sit unaided, crawl, walk or talk. It is thought that only 300 people worldwide suffer from this disorder and therefore there is very little information available or research into Louis' condition which is also known to cause organ failure, blindness and seizures.

Despite this Lucy is a positive and proactive mother and ensures Louis has as much stimulation as possible. She has travelled the length and breadth of the country to learn specialist therapies and techniques to support his development and incorporates them into his daily life.

She lives in a small annexe next to her parents' house and is unable to live her life in a similar way to her friends, since everything must be forward planned.

As a single parent, Lucy's life is spent caring for Louis. Having a child with complex needs is challenging on many levels but what makes it even harder is that costs involved in giving Louis the support he needs are extremely high and many are not funded by the NHS.

For example, a week of intensive therapy costs just under £1,000. Therefore, when she's not caring for Louis, Lucy works incredibly hard to fundraise in any way possible. She has currently raised around £40,000 from holding a variety of events, of which all proceeds go towards therapy sessions to support Louis's development and change his future.

Lucy commented "I am truly honoured to be awarded the Wiltshire Life Carer of the Year. However, I just see myself as a normal Mum and like every Mum I want to ensure my child has the best possible life. Louis is such a positive and determined little chap and he brings so much love and joy to my life. He also has huge potential to develop and achieve despite his condition but needs specialist support to enable him to do this.

"With the therapy he has received over the last year he has changed so much; his physical and cognitive development have improved hugely. Louis is becoming stronger and more mobile. He knows the alphabet, numbers, colours, shapes, understands instructions, loves animals, music and CBeebies but just can't tell us. His carers and therapists are thrilled with his progress. I am so grateful to my family, friends and even strangers who support me and have done so much to help me fundraise. This support is truly changing Louis' life for the better and I can't thank them enough for that."

If you would like to support Louis, you can donate at: www.justgiving.com/fundraising/dcf-louis If you are interested in fundraising for Louis, you can contact Lucy at: LoveForLouis17@gmail.com Please also follow Louis' progress on the 'Love for Louis' Facebook page Or call: 07768 591963

Fovant Parish Council

The next Parish Council Meeting will take place on
Tuesday 11th June 2019 at 7pm
in the village hall.

The agenda will be displayed on the village hall notice board and placed
on the website.

Members of the public are welcome to attend and there will be a short period of time set
aside for public comments or questions concerning the parish prior to the start of the
meeting.

This is the second week of the month to avoid clashing with the South West Wiltshire
Area Board meeting.

Vacancies

There are currently two vacancies which may be filled by co-option.

To stand to become a parish councillor you must be:

- At least 18 years old on the day of your nomination, and
- A British citizen, an eligible Commonwealth citizen or a citizen of any other member state of the European Union

You must also meet at least one of the following four qualifications:

- You are, and will continue to be, registered as a local government elector for the parish in which you wish to stand from the day of your nomination onwards, or
- You have occupied as owner or tenant any land or other premises in the parish area during the whole of the 12 months before the day of your nomination and the day of election, or
- Your main or only place of work during the 12 months prior to the day of your nomination and the day of election has been in the parish area, or
- You have lived in the parish area of within three miles of it during the whole of the 12 months before the day of your nomination and the day of election

If anyone in the village feels they would like to join the Parish Council to be at the heart of what is going on and help make decisions about where the village is going, please come to the next meeting on Tuesday June 11th to see how it works and the other people involved. Join in and make 2019/20 a remarkable year for the village.

BEST KEPT VILLAGE COMPETITION

Once again Fovant is entering this competition and with your help it is possible to improve on last year's result.

Please keep your gardens and driveways tidy, pick up any litter and remove out of date notices. If you are able to bring your waste bins in as soon as possible after emptying it helps.

Judging will take place anytime from mid May to mid June.

Trees and Hedges remain an issue – please ensure there are no trees, hedges or shrubs encroaching the highway from your property.

JOSE GREEN's
FOVANT and
CHALKE VALLEY

Annual Report. March/ April 2019.

It is now 10 years since Wiltshire Council (WC) became Unitary. Previously, it was Salisbury District Council who was the main point of contact for the services they provided. Now argued, whether it has been replaced by greater efficiency and joined up thinking (which in turn leads to savings and less bureaucracy) remains a matter of opinion!! 350 services are still provided by WC with social services being the greatest demand and rising as the population grows older, the number of vulnerable children that require looking after also increases year on year.

It is always a pleasure to present my annual report to the Parishes within the Fovant and Chalke Valley Division, I shall endeavour to keep it short but with a caveat that I am always available to answer any queries you might have. I'm sure many of you have noticed how much publicity Salisbury is receiving post the novichok incident; with high profile visits from Royalty to Politicians in the last year, it all forms part of the Salisbury recovery programme which will bring tourists to visit and stay in and around the City. There are many events planned for this coming year but over the last year some very many memorable occasions took place. Wiltshire Council has approved a 3% increase in the Council Tax (CT) for this coming year. This is the level of increase permitted without having to hold a referendum, every year it is a constant challenge to make savings at every opportunity sometimes at a cost to staff , providers and users. I accept that CT can be the biggest burden a household is required to find and it would appear, that as residents in rural areas, we do not receive the numerous services and easy access to facilities that others have; I must emphasise though, a balanced budget is imperative and that has been achieved again this year , also, it is the first time that WC hasn't been reliant on the Government's grant to achieve it. There was a full and lengthy debate on Climate Change at Full Council in February, mainly revolving around what further measures can be taken to make the County progress towards becoming carbon neutral by 2030. This subject was partly brought about by the actions school students highlighted by going on strike and emphasised by the occasional very warm days in February thankfully followed by typical March weather. In past reports I have mentioned the investment WC is making by replacing the **street lighting to LED bulbs**, this coming year there will be many other measures introduced to reduce our carbon footprint, a few examples are pressing for **new eco ' built housing**, promote **car share**, encourage **electric cars by installing more charging points**, **address air quality**, **by not using single use plastics and at every opportunity to educate and promote greater levels of reduce, recycle, and reusing our household waste.**

Every year I attempt to tell you what might be of the greatest interest to you rather than what might be the most relevant to the 14 parishes I represent. Looking to the future you might be aware of the proposals the **Local Government Boundary Commission of England** (LGBCE) have suggested in their review of the Wiltshire Divisions ; although I didn't receive any

direct representation from anyone about the consultation, WC and the Boundary Commission did. The LGBCE accepts that Wiltshire Council retains the existing 98 Councillors but some boundaries will change so that each Division has an equitable number of electors based on a population assessment in 2024, therefore there is a possibility that Coombe Bissett, Homington and Odstock will come into Fovant and Chalke Valley and Compton Chamberlayne, Netherhampton Village and Tollard Royal would move in to neighbouring Divisions, finally the 'built up' part of Netherhampton would go into Harnham. We must wait to hear what the final decision will be which will then come into effect in 2021 elections. Whatever the proposals it is Parliament that confirms the final outcome , not WC.

Highways; always the greatest concern to most and which remains a high priority. **The Speed Indication Scheme (SID's)** the Area Board partly financed last year have proven to be popular, successful and effective. **The 20mph speed limits remain popular and a further 2 villages** will be chosen again this coming year in our area if the Parish requests it. The Police must play their part in enforcement. A further £8 million from Government will be spent on improving the highways and street scene across Wiltshire, this is an additional sum above the £21m spent year on year in maintaining our roads, we must be sure the workmanship and quality is upheld.

The Centenary of WW1 was commemorated with the planting of 10,000 trees across Wiltshire. Not the tallest specimens but a lasting memorial to remember those 10,000 Wiltshire men who died during those war years. Again, I compliment the efforts of those who reinstated the Badges at Fovant, Sutton Mandeville and Compton Chamberlayne. The Armistice Day service on Compton Down was very moving.

Anyone reading my reports regularly will know I often mention the plight of the Syrian Refugees, It has been recently agreed that Wiltshire will take 10 vulnerable, unaccompanied children per year over the next 10 years dependent on having foster homes in place as part of the Safe Passage, Our Turn campaign. As you might be aware this has been likened to the Kindertransport event during WW2.

98% of Wiltshire's school children have been offered places in their preferred secondary schools. 93% were their parents first choice..up 1% . 4% attend their 2nd choice and 1% their 3rd, in total 4981 applications were received, (up 174 from the previous year) out of this figure 102 parents did not get an offer of their preferred school which is disappointing. Obviously, they have the right to appeal.

WC has a 'smoke free ' policy in place **on** Council owned property. The 3 main Hubs have introduced it already which prohibits smoking in the grounds. Vaping is permitted by the public and staff outside but requested to do so away from the entrances of the buildings.

On a personal level in the last year I have remained Chair of the Area Board and vice chair of the Licensing Committee, I sit on the Southern Area Planning Committee, the School Transport Appeals Panel and the Environment Select, plus many other commitments. I'm always happy to support grant applications and there have been a number of successful ones in my Division over the last year. My priority has always been to listen and hopefully help those who approach me with an understanding that by working together we can do our utmost to ensure the fairest and best outcomes for all.

SYNOPSIS OF THE MINUTES OF THE ANNUAL MEETING OF FOVANT PARISH COUNCIL HELD ON 7th MAY 2018 IN THE VILLAGE HALL.

Present Cllrs Harris, Havard, Horne, Mrs Mallalieu and Mrs Turner.
In attendance; Mrs C Churchill (Clerk). 1 member of the public.
Apologies Cllrs Dunn and Phillips. Wilts Cllr Mrs Green.

Questions or statements from members of the public.

Mr Cordle spoke in favour of his application for a grant to the Three Towers fete, see appendix 1.

Fovant PC discussed the detail of the grant.

Sutton Mandeville PC will consider the request next week.

Compton Chamberlayne PM has committed to £100 and may increase this to £150.

Cllr Mallalieu opened the meeting at 7.24pm

Election of a Chairman. To elect a Chairman for the municipal year ending May 2020.
Fovant PC resolved to elect Cllr Mrs Mallalieu as Chairman.

Apologies for absence were received from Cllrs Dunn (unwell) and Phillips (conflicting social engagement).

Fovant PC resolved to accept the apologies for the reasons given.

Council meeting minutes - to confirm and sign the minutes of the parish council meeting held on 2nd April 2019.

Fovant PC resolved to approve the previously circulated Minutes which were taken as read and signed by the Chairman.

Council meeting minutes - to confirm and sign the minutes of the extraordinary parish council meeting held on 16th April 2019.

Fovant PC resolved to approve the previously circulated Minutes which were taken as read and signed by the Chairman.

A30 Speed Limit. A petition has been received requesting the reduction of the 50mph speed limit on the A30 east of the current 30mph.

The location previously had a 40mph speed limit but this was increased following the 2009 speed limit review (A and B roads only) when the 30mph was introduced between Pembroke Farm and West Farm.

The Speed limit circular has been circulated, Cllrs are requested to read this document.

The stretch of road includes Green Drove, concerns for traffic exiting this junction have been raised.

There is 560m of road in the current 50mph east of the village.

In this section there are two farms, a riding school with RDA plus 19 dwellings (14 of which exit from Green Drove).

Fovant PC resolved to support a reduction in the current speed limit.

Cllrs Harris and Phillips will draft a proposal for consideration at the June meeting, this will be emailed to the Clerk by 29th May.
Cllrs Harris / Phillips

Proposal to reduce the current 30mph in Fovant (excluding the A30) to 20mph.

At the meeting held on 16th April it was agreed to request a reduction to 20mph for all the lanes in the village.

A meeting was held to discuss this prior to the APCM.

Fovant PC resolved to request the 20mph is extended to include the following;

Dinton Road

Moor Hill

Sutton Road

Brook Street

Thus making all the current 30mph reduced to 20mph except for the A30.
Clerk to inform WC

Clerk

Warning sign on A30. The flashing bend sign hasn't been working for several months. To resolve to get this fixed.

Fovant PC resolved that the Clerk should contact WC and request this is fixed as soon as possible.

Clerk

Three Towers Fete Grant Application

Statement to Fovant Parish Council by Paul Cordle – 7th May 2019

Chairman – thank you and your colleagues for giving time to the Three Towers Fete application.

Intro

The fete is the culmination of work stemming from focus groups held in Autumn 2017.

Plans are well advanced for this new inclusive event – inclusive of five communities, of all ages and of the four schools which nurture our children. We are planning for about 700 people – perhaps more and 400 plus cars.

I shall speak about two aspects of the Fete

Its Purpose – its Finances

3 Fold Purpose

1. to create a memorable day of fun for everyone
2. to give children an experience to be shared with family, friends and neighbours. I emphasise this – 4 local schools have been canvassed to participate, provide a stall and promote the event to parents – we hope for many.
3. to give individuals an opportunity to do something new for their community, encourage local small businesses to help their local community and to develop a collaborative – a co-operative spirit between communities.

We have succeeded already in the latter purpose and now look forward to full success on 15th June

Financially

We are not setting out aggressively to make money as a prime motivator BUT having started with no money, no equipment – I'm confident the Fete will wash its face - a creditable achievement in itself in its first year - and that all being well will make a surplus – however small - to go towards 2020 fete.

Difficulty with any new event – there is no way of knowing the turnout, individual spend – nor what the weather will hold for us.

Figures attached to the application were estimated 2 months ago when the future was less clear than now. I stress that the figures were ultra conservative – to have presented over ambitious figures would, in my view, have been misleading and wrong. They do not include any grant which you or the Council may decide to vote.

Whatever the outcome the current figures are based on achieving £5000 donation from local companies and individual donors – this is not assured although we are well on the way. That said, having started with nothing, I emphasise that every penny will count towards the capital cost of equipment and materials needed to stage this years and future fetes. I ask please for your financial support - not only would it be a much appreciated contribution to the fete's profitability but, as importantly, it will demonstrate to SWWAB that there is a swell of local support when considering the Fete's application for £2000.

Tisbury Carnival Royals Crowning, Afternoon tea & Cake Bake Off

The crowning of the Tisbury Carnival Royals chosen at The Royals Disco in May will take place on Sunday 30th June 2018 at Hinton Hall, Church Street, Tisbury, SP3 6NH. It will be in the form of a Cake Bake Off with a 'party' theme served & supported by Tisbury Army Cadets. If you would like to come along to support a great cause & see The Royals for the first time then pop along at 2.00pm (until 4.00pm). Entry into our Cake Bake Off is free & will be judged by attendees via a secret voting ballot. To enter simply bring along your cake(s) on the day, which will be eaten by those who attend along with sandwiches, cakes & refreshments donated by local businesses & supporters of Tisbury Carnival. To cover our ongoing costs we are simply asking for donations on the day. The winner of the Bake Off will receive a certificate & small prize, so dust off those pinnys & shake the flour from your hair, we need to see what fantastic Cake Bakers Tisbury & the surrounding villages has to offer...

For more information please contact Tisbury Carnival Committee at tisburycarnival@outlook.com , visit our website at www.tisburycarnival.com or join our 'Tisbury Carnival' Facebook page.
