## **Editorial**

Could it be that the worst of the winter is behind us? It jolly well should be! Certainly the levels of rainfall we have had to endure are record – breaking according to the Met Office. Brief rays of sunshine in recent days have helped to lift the spirits and the world has taken on a whole new look.

We have been remarkably fortunate though compared to our near neighbours on the Somerset Levels whose ordeal is not yet over and may not be for some time to come. Being the highest village in Wiltshire has spared us the trauma of constant flooding and our experience with rainfall pales into insignificance in contrast to their plight. But it is at times like this that resilience comes to the fore amongst the stricken community and we should remember that there will always be people who are worse off than ourselves. I should like to think our community would respond in a similar manner if we were to be faced with such adversity. Sort of brings things into perspective don't you think?

*The Downes Family*

## **SHOP MEETING**

### **YOU ARE ALL INVITED TO COME AND HAVE YOUR SAY ABOUT YOUR SHOP on Tuesday , March 25 at 7 pm in the Village Hall**

You will have seen the formal announcement of the Shop AGM in last month's news. I would just like to add that I would really like to see many of you at the meeting. After the formalities we will have an Open Forum with refreshments where you can put forward your thoughts and ideas about the shop. The shop is *community led and run* and so we need your input to make it a worthwhile and successful village amenity. The committee has ideas but what are your ideas?

The Management Committee of the Shop at present comprises 7 members:

Liz Nixon (Chairman), Mike Perry (Treasurer), Alan Brierley (Book Keeper), Philip Henry, Melanie Keogh (Secretary), Catherine Spencer, and Amanda Dye (Manager). Mike Perry will be standing down as he is shortly leaving the village. The Management Committee is allowed under the shop constitution to have up to 8 members. We therefore have space for more committee members and I would very much welcome people to come forward to join us. In practice all members of the committee stand down at the AGM and put themselves up again for re-election if they wish to.

The Management Committee meets roughly every 8 weeks and its role is to look at the bigger picture and think strategically about the shop's future. It ensures that the shop is financially sound and all necessary legal requirements are in place. All the day to day decisions are taken by the Manager and so a committee member does not get bogged down with the nitty gritty and deciding on the price of a loaf of bread!

Nomination papers for the committee are in the shop and have to be filled in and returned to me not less than 7 days before the AGM date.

*Please consider joining us or even nominating someone else (with his/her permission!).*

*Liz Nixon*

## **Parish Council 11<sup>th</sup> February 2014**

**Defibrillator Project-** the Parish Council wishes to thank all those parishioners who have sent in their pledge envelopes this month. The village shop would be very pleased to receive any donations to pass onto the Clerk. If you wish to pay directly by BACS for ease the bank details for the Parish Council using direct transfer are **Lloyds Bank Market Place Warminster Sort code 309913 Account number 07052153**. If you could use Defibrillator and your surname as a coding the Clerk will then be able to identify the payment. A totalizer has been placed in the Village Shop window to show where the project funding has reached. The Parish Council is applying for a grant from the Warminster Area Board to hopefully give further funds towards the project.

There is still a further £915.00 to raise, If you still have your letter asking for donations toward this extremely important project please do take action to help this project move forward or contact the Clerk for further details.

**Parish Steward/Highways** - The Clerk was instructed to contact Vicky Oates, Road Safety Officer Traffic and Network Management Wiltshire Council re a suggested new site for the SID. The Clerk would ask whether if the cost could be covered by the Parish Council that a new pole could be placed near the Frome end of the parish where the majority of the speeding occurs. This had been discussed with the Wiltshire Technical Officers on site, as their recommended course of action.

**If you know of any areas of the parish that require the attention of the Parish Steward please contact Wiltshire Council on 0800 232 323 or email [Clarence@wiltshire.gov.uk](mailto:Clarence@wiltshire.gov.uk) or contact the Clerk direct.**

**WWI Commemorations** - The Clerk reported to Council that she had met with the Chairman of the Village Hall. He had put a suggestion forward that a Wooden Plaque Memorial be placed in the Village Hall garden area at the front of the Village Hall with a seat for reflection. This would give an easy accessible site for all denominations to view and a resting place for those less able. The Clerk had also been approached by a parishioner who will feed back further ideas that they are investigating at present. The Clerk informed Councillors that other parishes have indicated that they will use the month of November for their Commemorations; this was noted.

**Litter Pick - The 2014 Community Litter pick will take place from the Community Garden, on the 22<sup>nd</sup> March 2014 starting at 10.00am.** Councillors will co-ordinate handing out bags and equipment on the morning from the Community Garden. Councillor Angus Neish will use his trailer to collect the full litter bags and return them to the Community Garden. A list will be placed in the village shop to take names of attendees coming to the litter pick. If you are able to help please do add your name to the list in the village shop or contact the Clerk direct so that equipment can be arranged.

**Neighbourhood Watch** – There is a vacancy for the post of Neighbourhood Watch Representative for the parish. If you would be interested in taking on this post not only representing the Community but helping coordinate issues from the rural policing unit to all please seek further information.. The Rural Policing unit have one meeting every 3 months in Bishopstrow Village Hall with the other representatives in the area. It is a very friendly meeting with everyone working together. They have an email warning system re incidents in the area and it can be a very rewarding position. Do get in touch with your local Councillor, the Clerk or take a look at <http://www.ourwatch.org.uk/> for more details on Neighbourhood Watch.

**Swimming Pool** – The Trustees and members of the Parish Council would like to ask the Parishioners in the community if anyone is interested in taking on the Swimming Pool as a Lead Volunteer of a Group; to get in touch contact either one of the Trustees, your local Parish Councillor or the Parish Clerk. Two parishioners willing to help have come forward so far. It was agreed that there will be a six month period from December whereby if no one comes forward the future of

the pool will be re discussed at the May Parish Council meeting and the possible disposal of the pool will be implemented. There is now only three months left.

**Items for the next Agenda:** ¼ year Budget check, Annual Parish Meeting Arrangements, Asset Register Review/Risk Assessment update and Annual Litter Pick to finalise any last minute arrangements.

**Date of the next meeting-** The Council agreed that Tuesday 11<sup>th</sup> March 2014 would be the date of the next Parish Council meeting. As always, the Parish Council meeting will be open at the start with an opportunity for members of the public to ask questions or make comments on any matter. The website Southwilts.com (Maiden Bradley) can be accessed to read a copy of the Agenda and Minutes electronically or copies are displayed on the Community Notice Board at the village shop.

## **Maiden Bradley Pantomime**

Just when the seemingly never-ending rain was really starting to get us all down, along came the 2014 Panto to pierce the gloom. "Cinderella with a Twist" was this year's offering and what fun it was. The panto group included all the regulars plus a few extra children and one or two new adult faces. The scenery, representing many hours work (and ruined clothing), by Neil Scheurmier was brilliant as was the musical accompaniment from Sue Priestner. Costumes, sound and lighting – it was all there and very slickly accomplished.

Tom Allday and Carol Kenzie wrote this slightly amended fairytale; it was directed by Jack Cray and the cast delivered it in style. Over two Acts and 3 different Scenes, the cast carried us through the story of Cinderella and her 2 ugly sisters. Laura Rayner has a stunningly beautiful voice and the audience was treated to a number of songs from her, both solo and with others of the cast. The Ugly Sisters, Tom Allday and Neil Scheurmier, were, well, ugly – but wonderfully overplayed as required by panto rules – and certainly added colour to the proceedings!

The younger members of the cast deserve their own mention – they were a delight. Whether as judges in the dance scene or transformed into various animals, the little ones were so cute. The older ones played important roles such as Fred and Charlie (Joel Richards-Fisher and Dannan White), while Millie Barnes and Tyler Lloyd-Davis, with their wonderful jive, stole the Strictly Ballroom Scene.

Maiden Bradley Panto Group – we salute you and all the effort that went into this production. Every year we have you to thank for breaking up the winter and giving us all a couple of hours of entertainment. Once again this year's performances were all a sell out and I am not surprised. Well done to everyone and we are already looking forward to next year's production.

## Young Fellow My Lad

“Where are you going, Young Fellow My Lad,  
On this Glittering morn of May?”

“I’m going to join the Colours Dad;  
They’re looking for men, they say.”

“But you’re only a boy, Young Fellow My Lad;  
You aren’t obliged to go.”

“I’m Seventeen and a quarter, Dad,  
And ever so strong, you know,”

“So you’re off to France, Young Fellow My Lad,  
And you are looking fit and bright.”

“I’m terribly sorry to leave you, Dad,  
But I feel I’m doing right.”

“God bless you and keep you, Young Fellow My Lad.  
You’re all my life you know.”

“Don’t worry; I’ll soon be back, dear Dad,  
And I am awfully proud to go.”

“Why don’t you write, Young Fellow My Lad?

I watch for the post each day;  
And I miss you so, and I’m awfully sad,  
And it’s months since you went away.  
And I’ve had the fire in the parlour lit,  
And I’m keeping it burning bright  
Till my boy comes home; and here I sit  
Into the quiet night.

“What is the matter, Young Fellow My lad?

No letter again today.  
Why did the postman look so sad,  
And sigh as he turned away?  
I hear them tell that we have gained new ground  
But a terrible price we’ve paid;  
God grant my boy, that you’re safe and sound;  
But oh I’m afraid, afraid.”

They’ve told me the truth, Young Fellow My Lad;  
You’ll never come back again.

(Oh god the dreams and the dreams I’ve had  
And the hopes I’ve nursed in vain!)  
For you passed in the night, Young Fellow My Lad,  
And proved in the cruel test  
Of the screaming shell and the battle hell  
That my boy was one of the best.”

“So you’ll live, you’ll live, Young Fellow My Lad,

In the gleam of the evening star,  
In the woodnote wild and the laugh of a child,  
In all the sweet things that are.

And you’ll never die, my wonderful boy,  
While life is noble and true:

For all our beauty and hope and joy  
We will owe to our lads like you.”

## News from the Hall

**Pantomime** - Well panto's been and gone for another year, once again all performances were sold out and full of fun, laughter, fluffed lines and some top quality singing. The number of youngsters in the cast is promising for the future. We are so lucky to have a group of people within the community who are willing to give their time and effort for the benefit of the rest of us.

The hall committee wishes to say a big thank you to all those involved, all your efforts are greatly appreciated.

The hall is due to be decorated by the Community Pay Back Team over the next few weeks this should not cause too much disruption to the day-to-day running.

You will also see that the notice board that used to be outside the shop has been moved to outside the hall, the notices that are in there are for your benefit and information.

If there is anyone out there who would like "Basic" computer lessons including Internet use, could you please contact myself or any other committee member?

## Shop News

Torrential rain, gales, flooding .... the gloom and misery of the weather has affected us all and unless we have had to venture out we have all wanted to shelter in our (hopefully) warm and dry homes. But there is a glimmer of hope on the horizon as there seem to be some dry and sunny days arriving. And so there is a glimmer of hope for the shop that our customers will come back to us with a vengeance as we have been feeling a bit lonely. Those hardy souls who braved the elements will have seen the efforts which our new team has been putting in to keep the shop interesting and fresh. There have been some great displays of Italian, Indian, Chinese and Thai foods – everything you need to make these dishes at home and were probably unaware that the shop stocks all the ingredients! More displays are in the pipeline so do come and see what is going on. Why spend money on petrol and valuable time going to Frome or Warminster when it is all on your doorstep? Amanda is bringing in some interesting new lines as well as keeping on the trusted favourites of course. For all the newcomers to the village – come and visit us and have a chat with the staff to hear about all the services we can offer you to make living in Maiden Bradley easy! We put out regular updates on our Facebook page to tell you when we have something new in stock.

Don't forget your eggs and lemons for Pancake Day and chocolates for Mothering Sunday – all happening in March! See you all soon!

*The Shop Team*

## Recipe

This a cross between a burger and a fishcake but with a twist.

4 skinless salmon fillets, cubed.

1-2 tbsp Thai green curry paste

200g quinoa

Large bunch fresh coriander, coarsely chopped

2 cloves garlic, finely chopped

Juice of 2 limes, plus wedges to serve

150g edamame beans

olive oil for frying.

Place the salmon, garlic, curry paste and half the lime juice in a food processor, season with salt and process into a smooth, mince-like texture. Remove the mixture, divide in half, and, using your hands, form 4 burger – patty shapes. Set aside in the fridge to firm up slightly.

Place the quinoa in a pan, cover with boiling water and simmer for 10-15 minutes, or until just tender. Drain and stir in the edamame beans, remaining lime juice and coriander and season with salt and pepper. Stir well and set aside.

Heat a little olive oil in a frying pan, add the salmon burgers and fry for 5 minutes on each side.

Place some quinoa in the centre of each plate. Place the burger on top, garnish with a sprig of coriander and a lime wedge.
