Village show & flower festival cover & centre photos: John Priestner. With thanks

From the Editor

Geographically speaking, we are located at quite a distance from the borders with Scotland and many may think that had the Scottish people decided to separate from the United Kingdom, it could have little impact on our lives here in MB. But they would be quite wrong. We all enjoy an almost hidden heritage from our 300 years of unity with Scotland and the rest of the United Kingdom and I suspect that like me, some of you may have descended from Scottish ancestry. In fact, during my childhood, my family lived in Scotland for several years and I have always felt at home when visiting old and new haunts there ever since. Our connections with Scotland today are in business and with friends and we are somewhat relieved that following the Referendum on Scottish Independence, we are all still living in the United Kingdom.

We hope that you enjoy the photographs of the Village Produce Show held in the Village Hall in August and join us in congratulating Meg Oliver on first prize for her wonderful wildlife garden habitat. The Flower Festival held in the Church this year has been a good fundraiser with some truly magnificent floral arrangements depicting songs or hymns relevant at the time of the First World War.

Just thought that I would like to mention the weekly Fish and Chip van which calls on Saturdays at approximately 5.30pm and stays for up to one and a half hours. I mention it because it was at least eighteen months after our arrival in the village that I realised it existed!

Next month, I hope to publish a list of Clubs/Groups which operate within MB, with contact details, so please forward to me (even if you think I already know about them) the relevant details. Many thanks.

Pat Kennedy - 845397 or pat@visa-office.com

What a lovely weekend we have just celebrated at All Saints for the Flower Festival. The theme for the weekend was the "Joy of Song" with arrangements based around hymns and songs that were popular at the time of the First World War. A fantastic number of people entered a display and the arrangements were very imaginative, they caught the feelings the troops must have felt of fear, sadness, love and longing.

Celia Blay's display of "Rock of Ages" was voted the most popular, she skilfully used old stone steps in the church to illustrate her theme with flower and foliage. I liked Vera Crossman's "There's no place like home" with the thoughtfully laid reminders for the soldiers of contented times back home: the Bible, pipe and chair. Thank you to everyone who prepared a display and helped with refreshments, all our visitors and particularly Sue, Diana and Sally who organised the weekend and Mary for the refreshments. Finally thanks to the teddy bears who braved the tower to jump!

In our harvest service we gave thanks for our food and for Jesus's love of us but picking up the theme of the Flower Festival we also gave thanks for the soldiers whose sacrifice has enabled us to live in freedom today. It was all rounded off with bread, cheese and a cider supper provided by Victoria.

Blessings and grace

Rev Carol

Family News

This month we welcome Elaine Hodgson and Nigel Lavender who have moved from Frome to come and live at 31 Church Street. We hope that they, as well as Matt the dog and Bramble the cat, will settle happily in Maiden Bradley and enjoy living here!

We were delighted to hear from Pat Kennedy that, after a very worrying start in life, their grandson Wilfie has recently left hospital with his mother and is now thriving.

It has been a great shock for all her friends to hear that Julia Morgan is seriously ill in hospital. We send her our very best wishes and hope that she may soon be home. She, Nick and the boys are in our thoughts and prayers.

Meg Oliver - 844317

POPPY APPEAL – 2014

Many events have taken place this year to mark the centenary of the start of The Great War. So named because no other conflict had taken place on such a scale, or had such a global impact. It involved all the major nations of Europe and the World including 5 Empires with their associated colonies and commonwealth states. 59 million troops were mobilised,

over 8 million died, with over 29 million injured. The scale was unimaginable. It was supposed to be the war that ended all wars. History relates that this was not so; one hundred years later the world is still a theatre of war. One unifying factor of all conflicts are the servicemen and women who return home with both mental and physical injuries. Since 1914 much more is understood about rehabilitation. Due to The Poppy Appeal, The Royal British Legion can focus on providing facilities for recovery and to actively support all the generations affected. Your generosity in supporting the Appeal year after year makes this possible. Thank you.

Our house to house collections are licensed to start on 25th October and continue until 8th November. Those kindly collecting are David Morse (High Street, Frome View), Mary Stevens (The Knapp, Barcroft and Frome Road), Diana Stevens (Church Street, Somerset Arms side), Pippa Brierley (Church Street, Village shop side, outlying farms). The Village Shop will have one static point and the Somerset Arms, two.

Please remember that if you are a taxpayer and use a Gift Aid Envelope The Royal British Legion can reclaim from the Inland Revenue 25p for every £1.00 given. Over £211 was raised in this way during the 2013 Appeal. The Collectors have a supply of envelopes. Please do ask for one.

Pippa Brierley

PARTYTIME PRODUCTIONS PRESENT

A Blast from the Past

A WARTIME CONCERT PARTY

A wry look at the fun times that were had during the war...

Join us as we take a trip down Memory Lane in this hilarious musical comedy and sing-along to your favourite wartime songs...

A fifty-minute show performed for you at the venue of your choice.

News From the Hall

Thank you, to all those that supported the Produce Show.

Thanks are also extended to those who's effort made it a success especially Sue & John Priestner.

Moving the show from the bank holiday weekend proved to be the right move, as we believe attendance to be up on previous years.

October looks like being a busy month for the hall.

Saturday 11th October (NOT Sat 10th as previously advertised)

the Wartime show

"Blast From The Past"

Come to the village get your tickets early.

Yoga Lessons

Starts on Tuesday 14th October; 7.30-8.30 pm, if sufficient support is shown this will become a weekly class, give it a go.

Just for all you ladies Saturday 25th October at 7.30 pm is,
"Chick Flick & Chardonnay Night" - Showing - ABOUT TIME

Come along and bring a group of your friends for an evening of
 Fun and relaxation without the partner or kids.

Saturday 1st November

Car Boot & Table Top Sale

Cars £7.50, Vans & (inside) Tables £10

Book your pitch or table early

9.30 am- 1.30pm

The cinema club will held on Sat October 4th & 18th films on show to be announced later.

A 3 Course Christmas dinner

Will be held on Friday 5th or Saturday 6th December

Times, Menu and Price will appear in the next issue of the magazine

Please give us your support

Welcome Club

We had a pleasant trip to Ross-on-Wye last month, calling in at Tintern Abbey on our return journey. It was good to see the two places again after a gap of some years, neither appeared to have changed much!

On September 18th Mrs Susan Marshfield joined us to recall "Lasting Moments". It was surprising to discover how much we had retained over the years too!

We shall have delighted in the joys of Weymouth by the time you read this report next month.

Our October trip, the last of the season, will be in and around the New Forest and this takes place on 14th October departing from Horningsham at 8.45am and Maiden Bradley at 9am. All are welcome just let me know if you want to come.

The meeting in Horningsham Hall will be on 16th October when Mrs Quinney will give a talk entitled "All about Bats!" which starts at 2.30pm.

Our Coffee Morning will be on Saturday 1st November between 10am and 12noon at Horningsham. Everyone is very welcome to attend and there will be a Bric-a-brac stall, produce, prizes to be won, a raffle and of course, our delicious coffee and biscuits – with a free refill!

Looking forward to meeting with you all again

Chris Short 01985 847373

Hello, from the Somerset Arms

QUIZ NIGHT

Autumn cometh the nights draw in!
How about spending a cosy night in your own friendly pub and doing a Quiz?

8:00 pm Wednesday 15th October 2014

Teams of up to a maximum of four members.

£1.50 for each participant payable on the night when registering.

Winning Team take a cash prize
Runners Up may take a cash prize dependent on the number of participants

Rules apply

Please take advantage of a £5.50 pp special menu prepared for the evening by Alice. Please book as early as possible to avoid disappointment.

Ring **David Barton 01985 844207** to confirm a booking for your team.

Whitesheet Primary – starts the year with a splash!

The unexpected Indian Summer in September has seen plenty of pool activity for the pupils of Whitesheet Primary Academy. “We’re so lucky to have this lovely heated pool at our Junior Centre in Zeals,” said Academy Principal Karen Brooker. “The children are certainly getting plenty of use from it in this delightful late summer sunshine”. With sport and exercise activities being an important part of the school curriculum these days the pool proves a real boon to the school – and is one of the most popular lessons!

The broad based curriculum for the academy also features music – which is unusual amongst primary schools. “As we’ve all seen in recent TV programmes the joy that music brings to the children is something to behold – and to begin their interest and discover their talent at the earliest possible stage of their development is so important,” commented Mrs Brooker. “We find it brings the whole school together”.

Whitesheet Primary became an academy almost a year ago and has recently produced its results for this first academic year. The attainment and progress of the majority of pupils was above, and in some subject well above, the national average. “It’s so rewarding to see the academy moving ahead so positively – and achieving such outstanding results,” said Mrs Brooker.

The academy is part of the Diocese of Salisbury Academy Trust which now comprises five local academies. The Trust has sourced funding for an on-going refurbishment programme at Whitesheet and significant changes, particularly to the Infant Centre in Kilmington, have greeted the children on their return from the summer break. “Wow!” was the succinct praise from one key stage one pupil.

Retail Ramblings...

Its all in the game...

Well here we are again in the season of mists, mellow fruitfulness, and the distant sound of the twelve bore and a pheasants last gasp.

I'm not sure that Keats had a game casserole in mind when he penned his iconic lines, but if he had he'd have been best advised to buy the requisite ingredients from us.

Rabbit and venison, oven ready partridge, and fresh game faggots are appearing on the chiller shelves, with their vegetable accessories also available.

Red cabbage and celeriac from La Chasse have me thinking of remoulades, and winter coleslaw's, and Andrew Barclays oak-smoked bacon would drape beautifully across a partridge breast.

Meanwhile there are lots of other goodies lurking on the shelves, ready for a fast supper on a slow autumn evening : part of the new range from Heinz is a 5 Bean mix, which is delicious, and adds a whole new dimension to beans on toast. Think of those days when you picked out your name in alphabetti spaghetti, and transpond to counting how many beans of which type lie on each slice of toast...

Follow up with vanilla ice cream coated in Buderim ginger sauce, or Morello Cherry sauce from Rose Farm and give your taste buds a new lease of life...

Before very long we'll be looking at gathering orders for Christmas, yes it's that time of year again ! No sooner have we all finished the Easter egg remnants than we're faced with the prospect of another feast. If you'd like to know what's available in terms of turkeys, chickens, and other things with wings, please ask, and we'll get some information to help you choose.

On a more prosaic note, as the weather closes in you may want to have winter coats and jackets cleaned, so bring them to us. Collection and delivery is on Tuesday and Friday.

Have you looked at the magazine shelves lately ? We've extended the range to include some of the fat and glossy ones which make good reading on a chilly evening, alongside others full of great ideas for handcrafts. Perfect for browsing through if you're inclined to make all, or at least some of your Christmas presents, and perhaps find a whole new set of interests in the meantime ?

Speaking of which, it's time that many of you are beginning some serious cake making, and if we don't already have what you need, then please ask us to order it. We already have large bags of dried fruit, cut & mixed peel, glace cherries, and at least six different types of sugar.

Not being a baker myself, on the grounds that I'd like to stay friends with you all and therefore couldn't possibly expect you to try anything I may concoct, I know only that alongside the fruits and sugar all that's required is flour, eggs and butter.

We have it all...

And don't forget the birds – we have a great range of seeds, nuts and other delicacies for them. On a chilly morning their feeding frenzy can be a welcome distraction from the weather forecast !

Finally, as we drift gently into a new season, much as the leaves are beginning to do, please remember that as a community shop we need your input. Not just in terms of volunteers, but also in what you'd like us to stock, what services you'd like us to provide, and how you think we're doing.

Let us know, it keeps us on our toes...

Sink or Swim

Earlier in the year the Parish Council sent out a request via the Parish Minutes encouraging a villager to take a lead in reviewing the case for either the restoration or closure of the swimming pool. For those who are new to the village, the swimming pool is sited on the Recreation Ground on The Rank, Bradley Lane. Since my arrival in the village some 4 years ago the pool has been closed for use and has not been open for some time prior to my arrival.

The Trustees worked for many years keeping the asset going however in more recent times the pool failed to be an attraction and to earn sufficient revenue for administration, manning, maintenance, and improvement purposes, thus the closure.

To be party to the loss of such an asset with the risk of demolition and in-filling I decided to offer an independent assessment of the situation to see what, if anything, could be salvaged and to view the possibility of a rebuild to meet the requirements of our current lifestyles and needs.

At an open meeting at the Parish Council earlier in the year it was agreed with the representative of the Board of Trustees of the Pool, that a hold should be put on the decision to apply for planning permission to demolish the buildings and the pool before in-filling and reinstatement of the ground to a usable condition. We are now approaching the point when the moratorium will expire. However, the work required to assess the potential product has only just started.

Therefore it was agreed internally with a group of interested villagers that we should make this interim report and an appeal to extend the date for final closure and demolition for a further 24 months at least. The reasoning is as follows:

- 1) Due to neglect the site has created a home and breeding ground for invertebrates and amphibians.
- 2) The pool cannot be drained for inspection because of the above.
- 3) The colony of newts, frogs and toads have been identified through a preliminary Ecological Survey. The result of which suggests that this is a breeding ground for protected species and therefore cannot be moved without licence or the habitat interfered with, damaged or destroyed.
- 4) Therefore a full survey will need to be conducted of the eco system before any removal or in-filling can take place.
- 5) The project therefore changes initially in order to provide in proximity to the pool habitat, a new pond to where the current members of the newt community can be moved.
- 6) Therefore the creation of a Wetland Habitat will take up to two years to mature before any movement by a licenced authority can be planned.
- 7) The wanton act of the destruction of a wildlife habitat may be considered criminal and therefore venturing to infill the swimming pool would be unwise. Therefore it may be appropriate to consider seeking further advice on the matter.
- 8) The group forming to redevelop the site are advised not to take responsibility as a Trustee of the existing organisation.

Initially the plan would be to provide a pond or pools, custom built for these little creatures. Then redevelop the site to construct a worthwhile swimming, fitness and recreational centre for this village. It seems that a grant for the work to be done may be obtainable, but work done would have to be in accordance with guidelines in order to provide the necessary garden/parkland/wetland to be constructed. This would provide interest for us all in the community and a place of outdoor experience for students of ecology.

We have within the group, the skills to provide the planning and development of the wetland facility. Adequate funds and some muscular determination are required to provide an end result, sooner rather than later with approval of the landowners and the planning authorities.

Those interested in being involved in the project should contact the under signed

Guide Dog Gabbie

Gabbie has changed a lot since I wrote the piece for last month's MBPN. She is now 14 weeks old and is definitely changing from a puppy to a small version of her grown up self. This does not mean she is no longer cute, she still has an adoring public everywhere we go.

Gabbie had her second set of vaccinations this last month and so now we can go anywhere and she can walk on the pavement and in public places. This is just as well as she is now a very wiggly 10.5 kg and carrying her is not something I like to do too much of!

Since my last piece Gabbie has made several trips to a shopping mall and also to Sainsburys where she managed to embarrass me with two puddles. Luckily I go everywhere equipped for mopping and picking up. I am conscious that any complaints could affect not only us but the Guide Dog Association too.

We are privileged to be able to go to places with the trainee puppies that other dogs are not permitted and we have to take every step not to abuse this acceptance that the pups have to learn somewhere. Once she was vaccinated we could start to expand Gabbie's world. I was confident that her response to the crowds in the mall would mean she would cope in town so our first real town time was a trip to Bideford. This proved no problem so we went to a quietish local train station to look at some train movements and people and luggage etc. Just outside the train station was a busy bus stop and we sat there for a while watching buses coming and going and getting used to the sound of air breaks and doors opening and closing. She was quickly at ease with all of that so we ventured onto the last bus that came before we had to leave. The driver was amenable to us just getting on the bus, having a look around and getting off again.

The next steps are to get on and off a train and travel a couple of stops on a bus.

In addition to her socialisation experiences, every day we work on her understanding of the basic instructions; sit, down, stay, wait, leave and come. She is making good progress, mostly because she is incredibly greedy, so provided treats are on offer she will do pretty much anything. Lead training is proving tricky and will obviously take more time. Next week we will be meeting our puppy walking supervisor, who we have not seen for a month, and we will be able to assess Gabbie's progress.

Kay Mayne

Recipe - Pear Sorbet

Serves 4

4 ripe pears
160g/ 5 1/2oz caster or icing sugar
Juice of 2 lemons
1 egg white – lightly whisked

Peel, core and quarter the pears. Put the pears into a saucepan with the sugar and enough water to just cover the pears then poach gently for 20 minutes. Remove the pears and reduce the liquid by boiling quickly until thick and syrupy. Puree the pears, sugar syrup and lemon juice together in a liquidizer or food processor. Allow to cool and then freeze. When nearly frozen, fold in the egg white and freeze until firm.

What is the future for NHS services in Wiltshire?

Wiltshire Clinical Commissioning Group is led by local GPs. We plan and pay for the majority of NHS services that you use across the county. Over the next five years, we know that demand for NHS services in Wiltshire will continue to increase but the money we have available to spend on these services will not increase at the same rate.

Modern advances in healthcare are helping people to live for longer than ever before which is a cause for celebration. However, this does mean that the demand for NHS services from the over-65s is expected to increase significantly over the coming years. As a result, the CCG needs to adapt the way we provide NHS services so that they better meet the needs of our ageing population.

How will we meet this challenge?

The CCG has developed a Five Year Plan to enable us to respond to this challenge. Our plan sets out how we can continue to provide high quality but affordable health services in Wiltshire between now and 2019. We won't be doing it alone either. Our key partners like Wiltshire Council, GP surgeries, local hospitals and other NHS providers are vital to the success of the plan.

It will mean some major changes to the shape of health care services in Wiltshire. Our vision is that health and social care services should support and sustain independent living and as the organisation responsible for designing and commissioning those services, we are keen to make them both affordable and the best possible for local people.

Our model for the future of health care in Wiltshire is based on three key principles:

1. Encourage and support Wiltshire residents to take on more responsibility for their own health and wellbeing
2. Provide fair access to a high quality and affordable system of care for the greatest number of people
3. Provide less care in hospitals and more care at home or in the community

To achieve these aims we will need to change the way in which we spend our budget. We will:

1. Spend more money on health education and prevention to help people take more personal responsibility for their health and wellbeing
2. Spend more money to improve community care and increase the range of services provided in a local setting
3. As a result, we would need to spend proportionately less money on providing bed-based care in hospital

We are going to split Wiltshire up into 20 clusters of approximately 20,000 people. Each cluster will have an integrated team of GP surgeries, community nurses and therapists together with social worker support which will work together to ensure that we have a more joined up system of health and social care.

How can you get more involved?

The CCG has already been carrying out a wide-ranging consultation about our Five Year Plan across the county and this has included public meetings, outreach events, and presentations to a variety of organisations. You may have been involved in one of these events?

Over the next few months the CCG will be giving presentations at the 18 Area Boards across the county. Each Area Board is planning a health fair with lots of different stalls for you to visit followed by presentations from the CCG and Wiltshire Council about our plans for improving health and social care. To find out the date of the Health Fair in your area please visit www.wiltshire.gov.uk/council/areboards/healthfairs

We hope you can join us for your local Area Board Health Fair but if you are not able to attend then you can find out more about the CCG's plans at www.wiltshireccg.nhs.uk

If you'd like to talk to someone at the CCG then you can email WCCG.info@nhs.net or call 01380 728899

YOGA WITH ANDREA

YOGA CLASSES

AND ONE-TO-ONE TUITION

Yoga is a system of philosophy that aims for union between mind, body and spirit, and can be practised by everyone, regardless of age, sex or ability. Practising Yoga increases strength and flexibility, improves posture, and can provide us with the tools to cope with the challenges of daily life.

My teaching approach is to create awareness for one's own body by respecting the body's limits - without refraining from challenges. I explain safe, conscious, and joyful ways to approach postures and breathing which enable students to search and find their own way of Yoga. I offer adjustments and modifications of postures according to individual needs; my classes are suitable for beginners but also for experienced students who look for a challenge.

New classes starting on October 14, 2014
MAIDEN BRADLEY VILLAGE HALL
Tuesdays 7pm – 8.30pm

(time may be adjusted to accommodate as many students as possible; one-to-one tuition can be arranged to suit individual requirements).

For further information or to reserve a place, please contact me or visit my webpage; booking is essential.
