The field is suitable for 2 horses to graze but it is understood there could be three and this would create difficulties with overgrazing. Some clarification was also sought about the tenancy agreement and whether a joint tenancy is operative or whether one of the applicants has withdrawn. The Chmn explained that Mr John Woolley had received similar bids of the same value and that both applicants were acceptable. One for two horses, the other for 4 Alpacas and one horse. Both applicants were invited to consider higher rental offers and to confirm acceptance of the maintenance conditions. Both applicants agreed to the conditions but one applicant was reluctant to increase the rental values in view of the present condition of the field and the poor condition of the free propers there on an occasional basis, subject to rotation on other land that they had nearby. Mr Woolley advised the Chmn that he had stipulated two animals only, but that subject to appropriate resting of Forbes Field and proper rotation and maintenance, then at times three animals at once might be acceptable - Dut the performance would need to be monitored to make sure the field did not suffer by over use. The Chmn stated that he had no experience of husbandry matters and offered his applogy if he had been remiss in anyway in respect of overgrazing, but would check the actual agreement in all aspects and report back to members. 42/19 1. 	Cllr SirRP proposed, seconded by Cllr BS. All agreed.	
47/19	6. <u>Forbes Field</u>	
	There is a requirement set by the Insurance Company for the field to be inspected	
	formally by a member of the PC. Cllr EP offered to undertake this regularly and re-	CllrEP
	iterated that the field was only suitable for two horses otherwise there is a danger of over	
	grazing.	Chmn
		Cillin
	Members agreed that this should be made clear in the grazing agreement.	
48/19	7. The Black Dog – Expression of interest	
	The Chmn suggested that a nomination could be made for The Black Dog Pub to be	
	registered as a Community Asset. There is no cost to the PC in making such a	
	nomination and it could be in place within 8 weeks of Wiltshire Council receiving it. In all	
	probability Wiltshire Council would support it and the registration might well be considered	
	as a material planning consideration in the event of any application for a change of use. It	
	would in no way be detrimental to the current ownership, but would allow for a six month	
	moratorium period should the community wish to consider making a bid. The Chmn	
	agreed to circulate a draft nomination form for members to consider but it was agreed to	Chmn
	defer any action at present whilst the current sale negotiations to a potential publican is	
	ongoing.

49/19	7. Chilmark Fayre 400 year Celebrations	
	Attractive flyers have been published advertising the various events to take place on	
	Saturday 20 July 12.00 – 4.30pm on the Fairmead opposite the Black Dog. The PC has	
	contributed a grant in conjunction with Wilts Council Area Board. The PC is not insuring	
	the event as it is organized under the auspices of the Horticultural Society.	
	Due to quarantine restrictions there can be no sheep at the Fayre. Cllr BS on behalf of	
	the Fayre Committee wished to record gratitude to Mr and Mrs Pelham for their helpful	
	advice on these matters.	
50/19	8. <u>Village Maintenance</u>	
	Issues for Parish Steward	
	The PS has been carrying out his normal routine and liaising with the Chmn. The	
	footpath from the B3089 to the Churchyard needs attention but chemicals cannot be	
	applied to the weeds as there are sheep in the field. Cllr AMcG mentioned that cyclists	
	can pose a hazard when walking in that area. She also reported that potholes in Hindon	
		01 (011 414 0
	Lane need repair. The Chmn will accompany her on a site visit before reporting through	Chmn/CllrAMcG
	MyWiltsApp for the attention of the Wilts Highways overrun gang. Along Cow Drove they	
	continue to apply scalping to the laybys.	
	PEAS order.

54/19	Hollow. The Chief Highways Engineer welcomes proposals or counter proposals which should be forwarded to Wilts Cllr BW. Wilts Council are embarking on a scheme to erect extra signage to deter HGVs from entering Tisbury via Ansty, Chilmark and Teffont. All this extra signage will be at no cost to the PC. The Vice/Chmn recommended convening a sub cttee to annotate a large road map on Friday 5 July at 4pm in the Reading Room. This was agreed. Village Road Safety CATG Issue 6772 The information from the survey and measurements are being assessed by Wiltshire Highways and the PC awaits a response with costings. The Chmn recorded that on several occasions the PC has requested to extend the 30mph speed limits in the village but it has not complied with the Dept of Transport requirements. There is a risk that they could reduce the extent of the 30mph limits. The PC awaits the outcome of the feasibility study. 12.
