	with Tom Gardener, Traffic Issues, Wilts Council at Dog Drove Crossroads to discuss safety issues and the possibility of introducing a 20 mph speed limit along the Street before taking the matter further. The Chmn, Sir RP and Cllr ML will attend. Dinton joined the Community Speed Watch programme some time ago and this appears to have helped to condition driver behaviour. Sir RP said that the suggestion of joining the Community Speed Watch programme has been considered previously but volunteers would be required and would have to be prepared to attend a number of training sessions. Noticeboard – Frog Lane The Chmn explained that quotes obtained for a replacement noticeboard cost approx. £800 - £1,000. Paul Burt had kindly made one costing £350. He said he would only retain reimbursement for the costs. Cllr M L proposed that this was accepted and Cllr LT agreed.	Chmn
	The Hollow This had still not been cleared by the Highways Dept. The matter will be raised at the next CATG meeting. Cllr ML will remind them.	Cllr ML

Councillors are expected by law to complete the register of interests	Cllrs
	within 28 days of the adoption of the code either on line or on hard copy. It is the responsibility of Councillors to update their records and to include the interests of the partners, etc where relevant. The Clerk will send out the relevant forms for completion.	Clerk
39/12	Diamond Jubilee Celebrations The Chmn reported that the Jubilee Celebrations had been a great success and there had been a variety of events which were well organized and well attended. The final meeting of the Sub Cttee had been held to close the event. A grant of £1,000 had been received from the Area Board and the PC will return a breakdown of expenditure and some photos for their exhibition to be held in Nov or Jan. The Chmn still has some Jubilee mugs for sale which will be advertised in the newsletter and on noticeboards. A draft costing of the Jubilee costs to date indicates that the total expenditure was £2,382.30. The income was £2,175.00 made up of £1,000 grant from the Area Board, £800 from the PC, and £375 from donations. A grant was made to the Bell Ringers of £30.00.
